Dear Madam

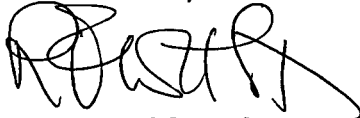

AI Ltd SSAS

I have recently had communication with Emily McAlister following a letter I received regarding changing my pension scheme bank account and transferring the registered scheme administrator for Treegate.

Please could you confirm that Pension Practitioner is still acting on my behalf as I do not appear to have received any accounts, Emily said she would look into this for me and provide an explanation but I have heard nothing.

I look forward to hearing from you.

Yours faithfully

Ruth Elliott-Smith
