Good morning Derek & Deirdre,

I have checked the SSAS account and the balance is zero...

Please can you as advised in my first email... Set up the sponsoring employer contributions... If you can make a contribution before the end of this month this would be brilliant and then, set up a standing order for the 1st of each month following on from this... This way we will not delay the process much longer.

Below is what is necessary to have in place to start a transfer application for success with your ceding schemes. As a reminder I have also attached again for your reference the transfer pack documents with the costs and what is involved for this.

1. Please set up a standing order for contributions from the sponsoring employer "DBA HR Solutions Limited" into the SSAS bank account as soon as possible. A min of £ 100.00 each person transferring, per month. Transfers to be made with the reference "ER + Name" for our internal reference. The requirements from ceding schemes are to show a minimum of 3 months contributions

Account Name: ABRAM PENSION PLAN SSAS

Account Number: 49649924

Sort Code: 23-05-80

- 2. Also that you have PAYE in place from the sponsoring employer " **DBA HR Solutions Limited**" and will be able to supply personal bank statements showing your salary payments to match your payslips. The requirements from ceding schemes are to show a minimum of 3 months PAYE & personal statements
- 3. Supply your latest valuation from the ceding scheme
- 4. You will need to contact your current pension provider to request the transfer out forms (we are unable to use Origo or Options SSAS).

I look forward to hearing from you. Please do not hesitate to contact me if you have any questions

Kind Regards,	
Lisa

All understood and no problem because already happening. Deirdre's discharge information expected by end of this week. Mine from Scottish Widows is already here, I have to phone L&G tomorrow to expedite that one.

Shame you don't use Origo because that seems popular option and can you clarify what costs are incurred please as I was under the understanding we had already paid for this service?

Best regards

Derek Abram

Dear Derek

Please see the attached "transfer pack" and "transfer process in" document, as an explanation of what we need to prepare and send to the ceding scheme where your pension is currently held, along with the costs involved.

We have a dedicated team working on transfers as they can be time consuming and require accurate information from the beginning to ensure the transfer is not rejected. We have many years of experience in dealing with transfers and have put this pack together given our experience. If at any time you do not want us to make 'chaser calls' just let us know - that is fine.

- You will need to contact your current pension provider to request the transfer out forms (we do not use Origo or Options),,
- Supply your latest valuation from the ceding scheme.

As per the attached `transfer process in' document. It is most important:

As soon as your SSAS bank account is open (my colleague tells me you have now completed the verification process so he can collect the relevant documents together for submission of the Bank account application form).

- 1) Start to make **contributions from the sponsoring employer** into the SSAS bank account as soon as possible. A min of £ 100.00 each person wishing to make a transfer, per month. And to continue these payments at least until all of the transfers are completed. Sponsoring employer payments to be made with the reference $\bf ER + Name$ for our internal reference.
- 2) Also that each transferring person has **PAYE** in place with the sponsoring employer and will be able to supply **personal bank statements** showing your salary payments to match the payslips.

	I look forward to hearing from you. If you have any further questions, please do not hesitate to contact me
	Kind Regards,
	Lisa
