Your estimated reading

		6	4	0	2
--	--	---	---	---	---

You can give us a reading any time at sse.co.uk or by calling our Meterline on 0345 071 9689.

Why not upgrade to a smart meter? You can see how much energy you're using and what it's costing. Plus, they send your meter readings to us automatically. Find out more at sse.co.uk/smart.

Here's your gas statement

For the period: 16 October 2021 to 02 February 2022
Dated: 3 February 2022

Your previous statement

We owed you	£15.73 credit
Your payments, thank you	£69.00 credit

Balance after your payments **£84.73 credit**

This statement - estimated

Gas charges	£75.86
-------------	--------

Total charges this statement **£75.86**

We've explained your statement in detail over the page...

Your payment plan credit carried forward **£8.87**

Your payment plan spreads the cost over a year. We expected you to be in credit at this point and we'll need it to pay for your future bills. We'll check to see if you're due a refund at your next review.

Could you pay less?

Your Personal Projection
We estimate your Personal Projection of costs for the next 12 months will be **£268.47**, including VAT and any discounts. For more information see overleaf.

Our cheapest similar tariff
Good news - you're already on our cheapest Fixed tariff. We'll let you know at least once a year if this changes.

Our cheapest overall tariff
Good news - you're already on our cheapest overall tariff. We'll let you know once a year if this changes.

As we're now part of the OVO family, we're able to offer you a wider choice of tariff options. If you drive an electric vehicle, our OVO Drive plan might be cheaper for you. You can call us on 0330 303 5063 or visit ovoenergy.com/electric-cars/ev-tariff to learn more about it. Eligibility criteria and T&Cs apply.

Remember, it might be worth thinking about switching your tariff or supplier. Please note that switching tariffs may involve changing to different terms and conditions, so always check first.

Turn over for more information about your tariff and the next page for more information about how much energy you're using.
