#### Who are we?

Metro Bank PLC ("Metro Bank", "we" or "us"), registered in England and Wales, company number: 6419578.

We are a controller for the processing activities specified in this Privacy Notice that relate to your personal data.

This Privacy Notice also explains how other parties, including companies belonging to the Metro Bank group, may use your personal data excluding any products, applications or services that have separate privacy notices which do not incorporate this Privacy Notice.

If you have any questions about this Privacy Notice, or would like more information about how we use your personal data or to exercise any of your data subject rights (see "Your rights"), please contact our Data Protection Officer:

Write to: Data Protection Officer  
Metro Bank PLC  
One Southampton Row  
London, WC1B 5HA

Email: [DataProtectionOfficer@metrobank.plc.uk](mailto:DataProtectionOfficer@metrobank.plc.uk)

If you are unhappy with our management of your information, you have the right to lodge a complaint with the Information Commissioner's Office. Please visit [www.ico.org.uk](http://www.ico.org.uk) for more information.

#### Our collection and retention of personal data

Personal data includes any information that directly or indirectly (whether alone or in conjunction with other information) identifies you (or someone else). This includes information such as your name, address and contact details, but also includes, for example, any photograph we have of you (e.g. when you provide us with a selfie and a copy of a photo ID as part of the account opening process), online identifiers such as IP address or device ID, and location data.

The personal data we hold about you is limited to information that:

- You have given us directly, for example when you apply for an account or contact us (eg a copy of your ID, a selfie and your contact information, or details of your query or complaint)
- We capture through the use of CCTV when you visit one of our stores
- We record and monitor through our telephone calls to help improve the products and services we offer
- We receive from trusted third parties during eligibility checks
- We collect during the provision of our contracted services to you (e.g. your account details, and details of your transactions and interactions with us)
- We, or third parties acting on our behalf (such as Google Analytics), automatically collect when you use our website or interact with our emails (in each case, with your consent, where necessary). Examples of data collected include your IP address, browser type referral source, information about which parts of our page you have visited and how long you spent on them, the preferences you have set, and whether you have opened our emails
- We occasionally obtain personal data from publicly available sources, such as social media sites (e.g. we may collect your name and comments where you mention us in a post) and Government registers (e.g. Companies House).

Where we ask you to provide personal data to us on a mandatory basis, we will tell you at the time of collection. In the event that particular personal data is required by the contract or law, this will be made clear. We will also explain the consequences of any failure to provide any mandatory personal data: for example, if you can't show us proof of identity, this will mean that we can't open an account for you.

If you open an account with us and you are under 18, we may also collect personal data that directly or indirectly identifies your parent or legal guardian who helped you open an account. We may use and keep their personal data only for the purposes of checking your identity. You must not give us personal data about someone else (such as a joint applicant or a parent or guardian) without first getting their permission for it to be used and released. We will assume that that person has given permission, although we may still ask for confirmation.

At the end of your relationship with us (for example, if you decide to close your account), we retain your personal data for as long as required to meet our legal and regulatory obligations. Where retention is based on other reasons, we will retain it for no more than seven years, in line with our data retention policy.

#### The purposes and lawful basis for our collection of personal data

Your personal data is collected and processed for business and compatible purposes, in accordance with applicable laws and as set out below. Personal data may occasionally be used for purposes not obvious to you where the circumstances warrant such use (e.g. in fraud investigations or similar).

We generally process your personal data under one of the following legal bases:

- Our legitimate business interests (described in the section below), except where these are overridden by your interests or fundamental rights and freedoms which require protection of personal data ("Legitimate Interests")
- Compliance with our legal obligations ("Legal Obligation")
- For the performance of a contract to which you are a party or in order to take steps at your request prior to entering into such a contract ("Contractual Performance").

We may also rely on other bases (for example, where the processing is necessary in the performance of a task carried out in the public interest or in order to protect your vital interests or those of another person or where you have given your consent) on an exceptional basis, where none of the above apply.

#### **Sensitive personal data**

We may collect a limited amount of Special Category Personal data (revealing racial or ethnic origin, religious or philosophical beliefs, trade union membership, genetic data, biometric data (where that information is used to identify an individual), information concerning physical or mental health, an individual's sex life or sexual orientation (in order to make appropriate accommodations or adjustments), or to provide biometric identification services. When we do so, we will explain to you why we need it, and obtain your consent to use it for the relevant purpose.
