New boiler now? In summer? Seriously?

Getting a new boiler during the summer may sound odd.

But with an extra 20% off, and with nothing to pay upfront, it's the best time to think about it.

You'll be set up for a cosy winter and with a new boiler, you'll see a big reduction in your gas bills too.

Looking after our customers

Our aim is to be the Nation's most trusted utility supplier – the one you'd recommend to your mum – and we are committed to treating our members fairly. So if we have let you down in any way, please let us know as soon as possible; we promise to investigate your complaint fully, and respond in a timely manner.

The easiest way to start this process is to call our customer service team on 0333 777 0 777 or contact us online uwdc.co.uk/emails. If you are unhappy at any point, you can ask to speak with a member of our escalations team, who may refer the matter to a specialist team or a manager. Following this, if the issue still hasn't been resolved to your satisfaction, please write to our Chief Executive's Office at Utility Warehouse Network HQ, 508 Edgware Rd, The Hyde, London, NW9 5AB. You can find further information at www.utilitywarehouse.co.uk/legal/codesofpractice.

In the unlikely event we have been unable to resolve your complaint within 8 weeks of you having raised it with us, or if the above procedure has resulted in deadlock between us, then you have a right to ask Ombudsman Services Communications to independently review your complaint free of charge; you can contact them by phone on 0330 440 1614, by textphone on 0330 440 1600, or online at www.ombudsman-services.org/communications.html.
