- 6.2 The Trustees can only make decisions by unanimous agreement.
- 6.3 An exercise of a power or discretion by and a decision of the Trustees or any delegate or sub-delegate of the Trustees will not be invalidated or questioned on the ground that any Trustee or any delegate or sub-delegate of the Trustees has a personal interest in the manner or result of the exercise of the power or discretion or in the decision concerned.

7 DUTIES OF TRUSTEES

- 7.1 The Trustees must keep such books and records as may be required:
- 7.1.1 for the proper administration and management of the SSAS; or
 - 7.1.2 by section 49(2) of the Pensions Act 1995.

9 FEES OF TRUSTEES

9.1 Any professional trustee may recover out of the Fund all costs, fees, charges and expenses which relate to him acting as a professional trustee without the consent of the other Trustees.

9.2 A Trustee who provides services to the SSAS on a professional basis is entitled to be paid all costs, fees, charges and expenses which relate to him providing any such services including any services which could have been provided to the SSAS by a Trustee otherwise than on a professional basis.

10 COSTS OF THE SSAS

All costs, fees, charges and expenses in connection with the SSAS will be met by the Trustees out of the Fund unless they are met by another person.

11 SCHEME ADMINISTRATOR

11.1 ANTHONY ARTHUR JAMES BANNARD SMITH of Manor Barns, Manor Lane, Whilton, Northamptonshire will be the sole Scheme Administrator and his liability as Scheme Administrator will be limited to cash sums held in the trustees account from time to time.

11.2 Subject to Rule 11.3, a person or firm who is the Scheme Administrator may retire from acting as the Scheme Administrator by giving one month's notice in writing to that effect to the Trustees. Where the resignation of a person or firm who is the Scheme Administrator would result in the Scheme having no Scheme Administrator, the Member Trustees shall act as the Scheme Administrator until a replacement Scheme Administrator is appointed.

11.3 Where the Scheme Administrator has been specifically released from its liability by HMRC, its retirement from the Scheme will be with immediate effect.

11.4 The Trustees may, at any time, appoint a new Scheme Administrator to either act alongside or replace entirely the existing Scheme Administrator. Exercise of this power to replace the existing Scheme Administrator requires provision of 30 days written notice to the existing Scheme Administrator.

11.5 The Trustees must provide and procure such documents and records and other information and assistance to or for the Scheme Administrator as it may reasonably request in connection with its functions under the Act.

11.6 Rule 8 applies to any Trustee acting as the Scheme Administrator as if anything done or omitted to be done by him as the Scheme Administrator were done or omitted

to be done by him as a Trustee. Any Trustee who is also a Scheme Administrator, may with the consent of the majority of Trustees delegate any one or more of his functions to a Practitioner, who is registered with HMRC as a Scheme Practitioner.

12 EMPLOYERS

12.1 An **employer** shall be a Participating Employer if (and only if):

12.1.1 it is the Principal Employer;

12.1.2 the Trustees admit it as a Participating Employer by a deed in which it covenants to duly perform and observe each and every provision of the SSAS which ought to be performed and observed by it as a Participating Employer; or

12.1.3 it was a Participating Employer (or participated in the SSAS in a similar way, however described) under the provisions governing the SSAS immediately prior to the adoption of these Rules.

12.2 The Trustees may admit an employer as a Participating Employer by a deed in which the employer in question covenants to comply with those provisions of the Rules which apply to a Participating Employer with the consent of the Trustees.

12.3 The Trustees may from time to time, by deed substitute another employer as the Principal Employer provided that the employer in question covenants to comply with those provisions of the Rules which apply to the Principal Employer.

12.4 If a Participating Employer:

12.4.1 goes into liquidation or is dissolved or otherwise ceases to exist;

12.4.2 has an administrator, an administrative receiver or the official receiver appointed in respect of any of its undertaking or assets; or

12.4.3 having been a body corporate under the control of the Members (or of any one or more of them together) at the date these Rules took effect, ceases to be under such control ("control" being construed in accordance with section 450 of the Corporation Tax Act 2010)

all of its powers and discretions under the Rules will vest in and be exercisable by the Trustees alone.

12.5 Where the Trustees are satisfied that a Participating Employer falls within the meaning of a dormant company as defined by Companies Act 2006 Pt 46 S1169 the Trustees may:

12.5.1 in the specific case of the Principal Employer, remove by resolution the Principal Employer from the SSAS with effect from the latter of either the date the status took effect or the date of the establishment of the SSAS, and close the SSAS to new Members until such time that a replacement Principal Employer is appointed or a decision is made to wind up the SSAS; or

12.5.2 otherwise, remove by resolution the Participating Employer from the SSAS with effect from the latter of either the date the status as a dormant company took effect or the date of the establishment of the SSAS.

13 AMENDMENT

13.1 The Employer may by deed modify, add to or delete any of the Rules with retrospective immediate or future effect subject to any restrictions imposed by law.

13.2 This power of amendment will survive the commencement of the winding up of the SSAS under Rule 32.

14 ADMISSION TO MEMBERSHIP

14.1 The Employer may admit as a Member:

14.1.1 any employee or director of a Participating Employer;

14.1.2 any spouse or dependant(s) connected with that employee or director; and

subject to any terms and conditions as the Trustees think fit.

14.2 A Member who, by virtue of Rule 23 (Transfer of Benefits) or Rule 31 (Buying-out of Benefits) or otherwise, ceases to have any Individual Funds within the Scheme, shall cease to be a Member.

15 EVIDENCE AND INFORMATION

15.1 The Trustees may ask any Beneficiary to supply evidence of age, health and status and any rights and entitlements under any other pension scheme and any other evidence and information as they may reasonably require. The Trustees may withhold payment of all or part of any Benefits until they receive and accept as sufficient any such evidence or information.

15.2 A Beneficiary must provide the Trustees with any information which may affect his entitlement or prospective entitlement under the SSAS immediately on becoming aware of any such information.

16 CONTRIBUTIONS

16.1 Subject to Rule 16.3, any person may with the consent of the Trustees contribute to the Fund in such form and amounts and at such times as the Trustees may decide.

16.2 A contribution must be allocated to:

16.2.1 one or more Individual Funds which relate to one or more Members, as the person who makes the contribution directs; or

16.2.2 in the absence of any such direction, the General Fund.

16.3 A contribution which would cause:

16.3.1 the loss of Enhanced Protection or Fixed Protection; or

16.3.2 any payment of Drawdown to that Member to be or treated as an ***unauthorised payment***;

will not form part of the Fund and will not be held for the purposes of the SSAS but will instead be held by the Trustees on trust for the person who made the contribution absolutely unless the Trustees and relevant Member(s) agree in writing that this Rule 16.3 will not apply before such contribution is made.

17 MULTIPLE INDIVIDUAL FUNDS

The Trustees may treat an existing part of a Member's Individual Fund as, or may allocate a contribution by or in respect of a Member to, a separate Individual Fund. If the Trustees do so, any such part or contribution will:

17.1 constitute a separate Individual Fund for the purposes of the Rules; but

17.2 not constitute a separate arrangement for the purposes of the Act unless the Member and Trustees agree otherwise.

18 BENEFITS FOR A MEMBER

18.1 The Trustees may at the request of a Member use some or all of an Uncrystallised Fund to:

- 18.1.1 designate it as being available for the payment of Drawdown to the Member under Rule 20;
- 18.1.2 pay a pension commencement lump sum; or
- 18.1.3 purchase a policy from or enter into a contract with an insurance company in such Member's name and in connection with the provision of pension, lump sum or any other similar benefits outside of the SSAS in place of any Benefits which would otherwise have been payable or prospectively payable out of such Member's Individual Fund;

on such date as and at the request of the Member may select which is not before the earlier of the date on which the Member reaches his **normal minimum pension age** (or any protected pension age) and the **ill-health condition** is met.

18.2 The Trustees will when they purchase a policy or enter into a contract under Rule 18.1.3 be discharged from all claims in respect of the Benefits to which the policy or contract relates.

18.3 Notwithstanding Rule 18.1, the Trustees may at the request of a Member use some or all of an Uncrystallised Fund to:

- 18.3.1 provide any benefit permitted by the pension rules, ***lump sum rule, pension death benefit rules or lump sum death benefit rule;***
- 18.3.2 make any other payment authorised by the Act;
- 18.3.3 provide benefits of any kind other than a payment; or
- 18.3.4** make (or do anything which is treated as making) an unauthorised payment.

Provided that no unauthorised payment may be paid without the prior consent of the Scheme Administrator.

19 DEATH BENEFITS

19.1 The Trustees must on the death of a Member use his Individual Fund in one or more of the following ways to:

- 19.1.1 designate it as being available for the payment of Drawdown to one or more Dependants under Rule 20;
- 19.1.2 pay lump sum death benefits under Rule 21;
- 19.1.3 purchase a policy from or enter into a contract with an insurance company in the name of a Dependant and in connection with the provision of pension, lump sum or any other similar benefits outside of the SSAS in place of any Benefits which would otherwise have been payable or prospectively payable out of such Member's Individual Fund;
- 19.1.4 notwithstanding Rules 19.1.1 to 19.1.3, in one or more of the ways described in Rules 18.3.1 to 18.3.4 subject to the same proviso;
- 19.1.5 reallocate it under Rule 22;
- 19.1.6 to the extent that it cannot be used under Rules 19.1.1 to 19.1.3,

allocate it to the General Fund.

19.2 The Trustees must on the death of a Dependant to whom the SSAS is paying Benefits use the Dependant's Individual Fund in one or more of the following ways to:

19.2.1 designate it as being available for the payment of Drawdown to one or more other Dependents under Rule 20;

19.2.2 pay lump sum death benefits under Rule 21;

19.2.3 purchase a policy from or enter into a contract with an insurance company in the name of another Dependant and in connection with the provision of pension, lump sum or any other similar benefits outside of the SSAS in place of any Benefits which would otherwise have been payable or prospectively payable out of such Dependant's Individual Fund;

19.2.4 notwithstanding Rules 19.2.1 to 19.2.3, in one or more of the ways described in Rules 18.3.1 to 18.3.4 subject to the same proviso;

19.2.5 reallocate it under Rule 22;

19.2.6 to the extent that it cannot be applied under Rules 19.2.1 to 19.2.6, allocate it to the General Fund.

19.3 If a Dependant to whom the SSAS is paying Benefits ceases to be a Dependant, the Trustees must use the Dependant's Individual Fund in one or more of the ways described in Rules 19.2.1 to 19.2.6.

19.4 The Trustees will when they purchase a policy or enter into a contract under Rules 19.1.3 or 19.2.3 (including a policy purchased or contract entered under Rule 19.2.4 where it applies for the purposes of Rule 19.3) be discharged from all claims in respect of the Benefits to which the policy or contract relates.

20 DRAWDOWN

20.1 Subject to Rule 20.2, the Trustees must use a Drawdown Fund to pay to a Member or Dependant such amount of Drawdown at such times as the Member or Dependant in question specifies provided that the Trustees may impose such minimum and maximum amounts on payments of Drawdown and restrictions as to the timing of such payments as they think fit.

20.2 The Trustees are not required to make any payment of Flexible Drawdown unless:

20.2.1 the Member or Dependant in question has made such declarations and provided such relevant documents or other evidence or information as the Trustees or Scheme Administrator may require; and

20.2.2 in the opinion of the Trustees, sufficient provision has been made for any appropriate deductions under Rule 26 or otherwise.

20.3 Any declaration made to the Trustees in connection with Flexible Drawdown will be treated as made to the Scheme Administrator for the purposes of the Act.

21 PAYMENT OF LUMP SUM DEATH BENEFITS

21.1 Subject to Rules 21.2 and 21.3, when the Trustees pay lump sum death benefits under this Rule they must pay such benefits to one or more of the following persons:

21.1.1 the Member's or Dependant's Relatives;

21.1.2 on the death of a Member:

(a) any person nominated for this purpose by the Member;

- (b) a Dependant of the Member;
- 21.1.3 on the death of a Dependant:
 - (a) any person nominated for this purpose by the Dependant;
 - (b) another Dependant;
- 21.1.4 any person with an entitlement under the Member's or Dependant's will;
- 21.1.5 the Member's or Dependant's personal representatives.
- 21.2 The Trustees may instead of paying an amount to a person under Rule 21.1 pay such amount in any other way for the benefit of that person including to the trustees of any trust and another pension scheme.
- 21.3 The Trustees may declare or otherwise establish any trusts for the purposes of Rule 21.2 on such terms as they think fit. Rule 10 will apply to any costs, fees, charges or expenses incurred in doing so.

22 REALLOCATION TO UNCONNECTED MEMBERS

- 22.1 When the Trustees reallocate all or part of an Individual Fund under this Rule they must reallocate all or such part of the Individual Fund in question to a new or another existing Individual Fund of one or more unconnected members as the Trustees think fit.
- 22.2 The Trustees may for the purposes of a reallocation under Rule 22.1 admit an unconnected member as a Member.
- 22.3 For the purposes of this Rule, an unconnected member is a person who was not immediately before the death of the Member or Dependant in question connected with such Member or Dependant for the purposes of section 172B of the Act.

23 TRANSFERS OF BENEFITS

- 23.1 The Trustees may:
 - 23.1.1 accept a transfer payment which represents an individual's pension benefits into the SSAS from another pension scheme. Any such transfer payment will be applied by the Trustees to provide Benefits to or in respect of that individual; or
 - 23.1.2 make a transfer payment which represents all or part of an Individual Fund to another registered pension scheme or to a qualifying recognised overseas pension scheme.
- 23.2 The Trustees are only required to obtain the consent of the individual in question to a transfer payment under this Rule if:
 - 23.2.1 such transfer would prejudice Enhanced Protection or Fixed Protection;
 - 23.2.2 such transfer would not be a recognised transfer; or
 - 23.2.3 such consent is required by law.
- 23.3 If the Trustees accept a transfer payment into the SSAS under Rule 23.1.1 for the provision or continuation of a pension permitted by the pension death benefit rules, the Rules will apply to such pension as if the individual in respect of whose death it is payable had been a Member at the date of his death.
- 23.4 A transfer payment made by the Trustees under Rule 23.1.2 will extinguish all or the relevant part of the Individual Fund in question and will release and discharge the

Trustees from all liability in connection with any corresponding Benefits.

- 23.5 The Trustees must provide such information to such persons for the purposes of a transfer under this Rule as is required by law or they may do so as they think fit.

24 PAYMENT OF BENEFIT

24.1 The Trustees must pay a Benefit:

24.1.1 by bank transfer or otherwise in monetary form; or

24.1.2 with the consent of the Beneficiary in question, by way of a transfer of all or any part of any asset of the Fund or of any interest in any such asset or by way of any other transfer of money's worth.

24.2 The Trustees may, if and for so long as a person entitled to a Benefit is a minor, or is, in the opinion of the Trustees, unable to act by reason of a lack of capacity or otherwise, pay such Benefit to any one or more of that person's parents, guardians, spouse, civil partner or any other person legally appointed or authorised to receive it on that person's behalf to be applied for that person's benefit. A payment of a Benefit under this Rule 24.2 will release and discharge the Trustees from all liability in connection with that Benefit and the Trustees will not be obliged to enquire into the application of that Benefit.

25 OVERPAYMENT OF BENEFIT

The Trustees are not required to seek to recover any overpayment of Benefits but may do so directly or by set-off or otherwise subject to sections 91 to 95 of the Pensions Act 1995.

26 DEDUCTION OF TAX

The Trustees may deduct from any:

26.1 payment (or anything treated as a payment) to any person or body:

26.2 part of the Fund to which a payment (or anything treated as a payment) relates;

26.3 reallocation under Rule 22 or allocation to the General Fund;

a sum equal to any tax for which the Trustees or Scheme Administrator are or may be liable as a result of any such payment, reallocation or allocation. Where the Trustees are uncertain of the amount of any tax, they may deduct such amount as they think fit or postpone such payment, reallocation or allocation.

27 INALIENABILITY

27.1 A Benefit can only be assigned, commuted, surrendered or forfeited in accordance with sections 91 to 95 of the Pensions Act 1995.

27.2 A charge or lien can only be applied on and a set-off can only be applied against a Benefit in accordance with sections 91 to 95 of the Pensions Act 1995. In particular, the Trustees may apply a charge or lien on or a set-off against a Benefit for the purpose of discharging some monetary obligation due to:

27.2.1 the SSAS from a Beneficiary arising out of a criminal, negligent or fraudulent act or omission by him or if he is a Member-Trustee arising out of a breach of trust by him; or

27.2.2 a Participating Employer from a Beneficiary arising out of a criminal,

negligent or fraudulent act or omission by him;

subject to the conditions under sections 91 to 95 of the Pensions Act 1995.

28 APPLICATION OF THE GENERAL FUND

The Trustees may at any time apply all or any part of the General Fund:

28.1 to create or augment any Individual Fund or otherwise provide new or increased Benefits for any person;

28.2 to pay any of the costs, fees, charges and expenses in connection with the SSAS which are outstanding;

or in any other way which in the opinion of the Trustees is consistent with the status of the SSAS as a registered pension scheme.

29 PRESERVATION

The preservation requirements as defined in section 69(2) of the Pension Schemes Act 1993 to the extent that they apply to the SSAS are deemed to form part of the Rules and override any provision of the Rules to the extent that any such provision is inconsistent with those preservation requirements.

30 PENSION SHARING

30.1 The Trustees must discharge any liability in respect of a person who acquires a ***pension credit by:***

30.1.1 making a transfer payment for that person to another registered pension ***scheme or qualifying recognised overseas pension scheme of an amount equal in value to that pension credit; or***

30.1.2 paying an amount equal in value to that pension credit to purchase a policy from or enter into a contract with an insurance company in the name of that person and in connection with the provision of pension, lump sum or any other similar benefits outside of the SSAS to or in respect of that person.

30.2 The Trustees may recover charges in connection with a pension credit by deducting them from that pension credit or from the Individual Fund which is subject to the corresponding pension debit in accordance with section 41 of the Welfare Reform and Pensions Act 1999.

31 BUYING-OUT BENEFITS

31.1 The Trustees may at any time:

31.1.1 use an Individual Fund to purchase a policy from or enter into a contract with an insurance company in the name of the Member or Dependant to whom such Individual Fund relates and in connection with the provision of pension, lump sum or any other similar benefits outside of the SSAS in place of Benefits which would otherwise have been payable or prospectively payable out of such Individual Fund; and

31.1.2 arrange with an insurance company the assignment of a policy purchased or contract entered into under Rules 18.1.3, 19.1.3 or 19.2.3 (including a policy purchased or contract entered under Rule 19.2.3 where it applies for the

purposes of Rule 19.3);

on such terms as the Trustees think fit.

31.2 The Trustees will when they purchase a policy or enter into a contract for the purposes of Rule 31.1.1 or arrange for the assignment of a policy or contract for the purposes of Rule 31.1.2 be discharged from all claims in respect of the Benefits to which the policy or contract relates.

32 WINDING-UP

32.1 This Rule 32 applies:

32.1.1 if the Trustees so resolve; or

32.1.2 on the hundred and twenty-fourth anniversary of the date of the establishment of the SSAS.

32.2 When this Rule 32 applies:

32.2.1 the Trustees will wind-up the SSAS;

32.2.2 the trusts of the SSAS will remain in full force and effect and all of the powers and discretions under the Rules will remain exercisable until the whole Fund has been applied under Rules 32.3, 32.4 and 32.5.

32.3 When this Rule 32 applies, the Trustees must apply:

32.3.1 any General Fund under Rule 28;

32.3.2 each Individual Fund as follows and in the following order to:

- (a) pay actual or anticipated costs, fees, charges and expenses in connection with the application of the Fund as the Trustees think fit;
- (b) pay any lump sum death benefit under Rule 21 in respect of a death which occurred before this Rule 32 applies;
- (c) secure Benefits in respect of the Member or Dependant to whom the Individual Fund in question relates in such one or more of the ways described in Rule 32.4 as the Trustees think fit having regard to the Benefits that would otherwise have been payable or prospectively payable from the SSAS.

32.4 The ways described in this Rule 32.4 are to:

32.4.1 purchase a policy from or enter into a contract with an insurance company in the name of the Member or Dependant to whom the Individual Fund in question relates and in connection with the provision of pension, lump sum or any other similar benefits on any terms;

32.4.2 pay a lump sum permitted by the ***lump sum rule***;

32.4.3 with the consent of the Member or Dependant to whom the Individual Fund in question relates, pay any lump sum other than as described in Rule 32.4.2; and

32.4.4 make a transfer payment under Rule 23.1.2.

32.5 If the assets of the Fund include a policy purchased from or contract entered into with an insurance company which is in the names of the Trustees and which is in connection with the provision of pension, lump sum or any other similar benefits the Trustees must arrange with the insurance company in question the:

32.5.1 assignment of any such policy or contract to the person to whom such policy or contract relates;

32.5.2 securing of it under trust for the person to whom such policy or contract relates; or

32.5.3 assignment of any such policy or contract to another pension scheme.

33 NOTICES
