Hi Georgina

We can confirm that we have authorised the payment below.

Thanks for sending across your signed Monthly Ongoing Fee Agreement, which I forwarded onto Pension Practitioner for processing.

They have since come back to me and asked if you are able to send an email to Georgina Stuliglowa @ georginas@pensionpractitioner.com confirming that you authorise the ongoing monthly payments to True Potential of £222.51 per month until further notice or for the period of 12 months?

If you can cc me into your reply too please, so I have a copy for our records that would be great.

If you need any further information please let either myself or Mark know.

Kind regards

Paul S. Marsden
