If you are reading this document, you will have chosen to invest into Crystal Investment Holdings Limited Corporate Bond for 10 years. Please read this document in association with our Prospectus and legal documentation entitled 'Corporate Bond Instrument'.

Based on the advice given to Crystal Investment Holdings Limited by Pitmans Lawyers we have adopted a specific method for taking in Corporate Bonds and this is to ensure we comply with all UK Regulations.

Our method of taking in Corporate Bonds is known as the Corporate Bond Instrument written by Pitmans Lawyers. We will call this CBI.

CBI is a detailed legal document that explains how the Corporate Bond work in finite detail. You will have read and accepted this document as part of the investment process.

It is hereby declared that the liability of your administrator is limited in all circumstances of the assets of your pension scheme for which the Corporate Bonds are held.

When using a CBI, the process dictates that we have to issue investors with a Corporate Bond Letter.

The Corporate Bond Letter details the basic terms of the offering from Crystal Investment Holdings Limited to you as the investor.

This Corporate Bond Letter needs to be signed by you and returned to our head office.

Once we have received the signed Corporate Bond Letter and your investment money has been banked by Lloyds, you will receive a signed Corporate Bond Certificate through post to your home address.

It is important that you print this Corporate Bond Certificate off and keep it somewhere safe.
