Dear Sirs,

PAH Washington Lodge Limited – Washington Lodge Nursing Home, The Avenue,
Washington NE38 7LE – (Our Ref: PAHWA02)- unit WW120

We are the agents for the Elljess Investments Limited Executive Pension Scheme. The company, Elljess Investments Limited held investments connected to the pension fund and the company was dissolved on the understanding that there was no prospect of recovery arising from the investment of £22,000.

We are given to understand that a payout is due in respect of this investment and would request that the payment is made directly to the account held with Metro Bank under Elljess Investments Limited Executive Pension Scheme.

This would address the financial loss and would avoid the unnecessary need to reinstate the company at Companies House, only for the proceeds to be then remitted back into the pension fund.

The receiving account details are:

Account Name: Elljess Investments Limited Executive Pension Scheme
Account Number: 45796299
Sort Code: 23-05-80

I look forward to receiving confirmation that this is in order.

Yours sincerely

Gavin McCloskey
