DEFERRED/SUSPENDED FUNDS - this only relates to Cash Transfers

If any funds that are invested in are either suspended or deferred from dealing or settlement, these will be exempt from this authority. Once these funds are removed from suspension or deferral, a new discharge request must be made if the transfer is still required.

I authorise payment of the transfer value to the receiving scheme, details of which the receiving scheme administrator has completed in Part B.

On payment of the transfer value to the receiving scheme, I agree that:

- where the payment to the receiving scheme represents all of the funds under any policy in Part A, then Aviva is discharged from its obligation to make any further payments under that policy, and
- where the payment to the receiving scheme represents only part of the funds under any policy in Part A, then Aviva is discharged from its obligation to make any further payments in respect of that part of the policy or policies represented by the payment.
- Any payment does not discharge Aviva for any act/error in dealing with the plan.
