

Transfer discharge form

From the Elevate Pension Investment Account
to a UK Registered Pension Scheme

Guidance notes for using this form

Please arrange for this form to be completed if your client has requested to transfer their Elevate Pension Investment Account (Elevate PIA) benefits to a UK Registered Pension Scheme.

This form consists of two sections.

Section A – Your client needs to provide transfer authority for Elevate Pension Scheme (No 1) (former Non-Protected Rights) and/or Elevate Pension Scheme (No 2) (former Protected Rights), as applicable.

Your client needs to complete their details and sign their authority for us to provide details of their Elevate PIA to the receiving scheme.

Where the receiving scheme is an OPS or SSAS your client needs to enclose copies of their latest 3 months' payslips and most recent P60. (If self-employed a letter from a certified accountant evidencing last 3 months' income and a copy of the latest tax return.) A regular pattern of earnings is needed to establish whether or not your client has a statutory right to transfer.

For Transfers to SSAS/OPS we also require: a copy of Trust Deed & Scheme Rules, a copy of notification letter of registration from HMRC and a letter from the bank confirming the account type as pension trust and the names of signatories for the account.

Section B – The receiving scheme needs to complete this to give us details of their scheme and to confirm that they are able to accept the transfer payment.

This form can be used for cash transfers, in specie re-registration or a combination of both. Cash transfers will be made by electronic bank transfer. For re-registration transfers we will provide the receiving scheme with a detailed asset list valuation upon receipt and will require their further acceptance and re-registration details in full (i.e. we must have the full name and address of your nominees, fund manager account numbers and designation – state no designation if appropriate).

Next steps – adviser

Please ask your client to fill in the details in Section A and sign the authorisation. The whole form should then be sent to the receiving scheme so that they can complete and sign Section B.

Next steps – receiving scheme

Please complete section B. Then return all the forms to us at the address at the end of this document along with the relevant supporting documentary evidence as detailed above.

By signing this form I authorise Elevate Portfolio Services Limited, as Scheme Administrator, to:

- transfer my benefits under my Elevate PIA (please tick the relevant boxes):

Elevate Pension Scheme (No 1) ☒ Pension savings ☐ Drawdown pension funds

Elevate Pension Scheme (No 2) ☐ Pension savings ☐ Drawdown pension funds

- provide any information that the receiving scheme may require about my current Elevate PIA and its value, transaction and dividend histories

I am aware that:

- Assets, which can't be re-registered, must be converted to an acceptable share class to facilitate re-registration where requested, or sold before the transfer and the proceeds transferred as cash;
- Where a drawdown pension fund is transferred, the benefits secured by that transfer payment will be provided on a like for like basis to those under the Elevate Pension Schemes;
- Elevate has asked specific questions that are relevant to whether or not it will make a transfer of benefits. Elevate will rely on the information provided by the Scheme Administrator/trustee of the receiving scheme and other information provided by my adviser to make a decision on the acceptance of my transfer application;
- The transfer payment will be made directly to the receiving pension scheme or, if the receiving scheme is an insured scheme, to the relevant insurance company; and

I confirm that:

- I have requested this transfer.
- I have completed and checked the information above and that it is correct.
- I am aware that in some circumstances a transfer might not be a recognised transfer under the relevant tax rules and may be treated as an unauthorised payment by HMRC giving rise to a liability to pay tax.
- If HMRC require Elevate to pay tax on the transfer value because the Receiving Scheme does not comply with their requirements, I undertake to refund Elevate the tax due by them.
- I am aware of the risks associated with pension scams and I hold Elevate harmless from and against all costs, losses or expenses resulting from my decision to proceed with my transfer request, unless such an event has arisen as a result of fraud, negligence or wrongful act by Elevate.
- Any information provided about me by the receiving scheme or my advisers has been verified by me as factual and correct and that Elevate is in no way responsible for any quotation or any literature issued by the receiving scheme or my advisers.
