This statement is provided by optionsXpress, Inc. as clearing broker for your account.

General Information
Please retain this account statement for your records, as it contains information that may be needed to verify entries appearing on subsequent account statements or for income tax purposes. All transactions are subject to the rules, regulations, requirements (including margin requirements) and customs of the Federal Reserve Board, the Securities Exchange Commission, the exchange or market (and its clearing house, if any) where executed, any association whose rules and regulations govern transactions in said market, and to all terms of the Account Agreement and all written agreements between you and us. Terms defined in your Account Agreement have the same meaning when used here.

Transactions Settling this period
The dates shown on purchase and sale transactions are trade dates.

Margin Clients
This is a combined statement of your Margin Account and Special Memorandum Account carried for you under Section 220.06 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the Special Memorandum Account as required by Regulation T is available for your inspection upon request.

Transaction Charges
Further information with respect to commissions and other charges related to the execution of listed options and other transactions has been included in the confirmations of such transactions previously furnished to you. Such information will be made available to you promptly upon request.

Cash
Any Free Credit Balance owed by us to you is payable upon demand. Although accounted for on our books and records, these funds are not segregated and may be used in the conduct of our business.

Bank Sweep Feature
optionsXpress acts as your agent and custodian in establishing and maintaining Deposit Accounts at your Sweep Bank as described in your Account Agreement. Deposit Accounts held through the Bank Sweep feature constitute direct obligations of your Sweep Bank and are not obligations of optionsXpress. optionsXpress may be compensated by the Sweep Banks participating in the Bank Sweep feature. Deposit Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) within applicable limits. The balance in the bank deposit accounts can be withdrawn on your order and the proceeds returned to your securities account or remitted to you as provided in your Account Agreement. For information on FDIC insurance and its limits, as well as other important disclosures about the Bank Sweep feature, please refer to the Cash Features Disclosure Statement available online or from an optionsXpress representative.

Federal Deposit Insurance Corporation (FDIC)
The FDIC insures funds in Deposit Accounts at each Sweep Bank. Funds in Deposit Accounts held through individual and IRA Accounts, and an individual's interest in a joint Account are eligible for FDIC insurance up to a total of $250,000 including principal and accrued interest when aggregated with all other deposits held by the depositor in the same insurable capacity at the same Sweep Bank.

Portfolio Summary
The month end valuation of your portfolio is for guidance only and does not necessarily reflect prices at which each position could have been sold or if short, covered on the valuation date. Prices are obtained from an independent pricing service(s) and prices for certain securities, especially bonds or inactively or infrequently traded securities may represent the service's estimate of the value (or not be valued) rather than being based on actual transactions. We do not guarantee the accuracy of these sources and are not responsible for any inaccuracies. Figures are subject to change at any time, they should not be relied upon for investment or trading decisions. In instances where prices of securities are not readily available from such sources, "N/A" (Not Available) will appear in the price column, the market value for the security is not computed, and the total equity in your Account does not reflect the long or short market value (if any) of those securities. Estimated annual income is derived from standard statistical sources not prepared by us. We do not guarantee the accuracy of such information. As the figures are subject to change at any time, they should not be relied upon for investment or trading decisions.

Asset Allocation
On the first page of your account statement, you will find a graphic representation of your assets in the box entitled Asset Allocation. This represents the approximate allocation of your assets among various investment categories. Negative values may be reflected as zero.

Dividends
Dividends credited to your Account may include capital gains, non-taxable dividends and/or dividends on foreign stock. You may wish to consult your tax advisor regarding your tax liability for these dividends. The dollar amount of mutual fund distributions, money market fund income or dividends on other securities shown on your account statement may have been reinvested into additional shares. You will not receive confirmations for reinvestment transactions. However, the information pertaining to these transactions that would be provided by a confirmation will be furnished to you upon written request.

Interest
For the Free Credit Interest feature and the Bank Sweep feature, interest is paid for a period that differs from the statement period. Balances include interest paid by optionsXpress or your Sweep Bank, as indicated on your account statement. These balances do not include interest that may have accrued during the statement period after interest is paid. The interest paid may include interest that accrued in the prior statement period. For the Free Credit Interest feature, interest accrues and is compounded daily. Interest is posted on or before the last Business Day of each month. Monthly interest is rounded to the nearest penny at the end of the interest period. If the only balance in your Account is accrued but unposted interest, the interest is not compounded.
For the Bank Sweep feature, interest accrues from the day cash is deposited into the Deposit Accounts at your Sweep Bank through the Business Day preceding the date of withdrawal from the Deposit Accounts. Interest will be compounded daily and credited on the last Business Day of each month. If the only balance in your Deposit Accounts is accrued but unposted interest, the interest will not be compounded.

Money Market Fund Sweep Feature
Free Credit Balances are automatically invested in shares of Sweep Funds pursuant to your Account Agreement. optionsXpress or an affiliate receives compensation for the Sweep Funds. The amount of such compensation is disclosed in each Sweep Fund's prospectus. The yield information provided for each Sweep Fund is the current 7-day yield as of the statement period. Yields may vary. A Sweep Fund's investment advisor may be voluntarily reducing a portion of that Sweep Fund's expenses. Without these reductions, yields for that Sweep Fund may have been lower. The shares of the money market fund can be liquidated on your order and the proceeds returned to your securities account or remitted to you as provided in your Account Agreement and the applicable prospectus.

Debit Interest
We charge interest on the debit balances in your Account as provided by your Account Agreement. The debit interest rate is subject to change without prior notice based on changes to the base rate set by optionsXpress. Debit interest is calculated on a Settlement Day basis, with Free Credit Balances offset against any debit balances. Interest is calculated on the average daily net debit balance on a 360-day basis, accrued from the next to last Business Day of the prior month to the second to last Business Day of the current month.

Custody of Securities
Fully paid for Securities held by us for you, but which are not registered in your name, may be commingled with identical securities being held for other clients by us, the Depository Trust and Clearing Corporation, or similar depositories.
