Dear John,

Sun Trust Pension Fund

Please find enclosed an account opening form for signing by you.

I have penciled in the sections to be completed. If Mrs Heather also wishes to have her own trading account, with her own separate logins I can set this up if you wish.

If you could return this to me and I will complete the formalities at this end. Once the account is opened we will send to you an activation code and you will then be free to deposit funds into your II account. There is no charge for this service by us and you will trade directly with Interactive Investors.

Kind regards

Yours sincerely
