Dear Mr Bhandal,
Pension Scheme Name: Goldman Pension SSAS
SRN: S0000004145
Your ref: APSS530

We have received your notification of rejection for registration for tax relief and exemptions for Goldman Pension SSAS. We note the status online has been changed to "Rejected under appeal".

We wish to put in writing that we would like to appeal against the rejection.

We have recently sent you a letter from the Principal Employer's accountant regarding the application to tax register the Scheme. The accountant has confirmed that the Principal Employer, Herbie Enterprises Limited, commenced trading in January 2020. This is to confirm that the Company is no longer dormant.

Philip Goldman has provided us with a statement of the Business Current Account and a snap shot of the online banking for the Business Current Account.

Please find attached a copy of both of these documents for your file.

We would appreciate it if you could take this into account when reviewing the appeal. We trust that you will review the tax registration application and appeal of rejection of the scheme as soon as possible.

Yours sincerely

David Nicklin (CERT PFS)
