Dear Ms Lunnon

The Bombardier Transportation UK Pension Plan

Member Name: Mr G W Thomas

Thank you for returning the completed forms in respect of the possible transfer of benefits from the Bombardier Transportation UK Pension Plan.

The Cash Equivalent Transfer Value was calculated in August 2012 and the guarantee period has since expired. Also, the member discharge and receiving scheme information forms have been revised due to Pensions Liberation and the completed forms no longer apply.

In order for the transfer to proceed I would be grateful if you could arrange for the enclosed forms to be completed and returned please.

The member should complete the following form:

- Member Discharge Form – Form 2

I enclose the following forms for the scheme administrator to complete and return:

- Receiving Scheme Information Form – Form 3
- Authority Form (IT1) – Form 4
- Trust Based Occupational Scheme Form – Form 5
- Personal/Stakeholder Pension Scheme – Form 6
- Section 32 Buy Out Policy – Form 7

The scheme administrator should forward a copy of the schemes Trust Deed & Rules and current screen print from HMRC website confirming the schemes PSTR number. Also, I would be grateful if details of the relationship between Steadfast Rail Solutions Ltd and Pension Practitioner.com could be provided please.

As a result of requests being received that involve improper transfers, HM Revenue and Customs (HMRC) and the Pensions Regulator has amended its practice for bona fide arrangements to follow when dealing with transfers. HMRC has reiterated that it is the transferring scheme's responsibility to make the necessary enquiries and to determine that the receiving scheme is a bona fide arrangement.

Please note that as part of our procedures, we need written consent so that we may approach HMRC, if required, to check that The Gordon Thomas Pension Fund is a registered pension scheme. Please arrange for the Authority Form (IT1) to be signed in the event that we require this confirmation, as without it we would not be able to proceed with the transfer of the member's benefits.

- The member should be aware that transfers should only be made on the basis that the transfer value is to be used for the purpose of providing him with pension benefits in retirement. These benefits cannot normally be taken before age 55. Please also note that on retirement the Plan offers the HMRC Post A-Day maximum cash lump sum. However, the members April 2006 lump sum is protected and would be payable if higher than the HMRC figure. This protection may be lost if the pension is transferred.

For further information, a warning against early release of pensions published by the Pensions Regulator can be read via: www.thepensionsregulator.gov.uk/press/pn12-05.aspx

I trust the above is satisfactory. If you have any questions regarding this letter, please contact me on the above number/email address or at the address below.

Yours sincerely

Steve Draper
