Dear Michelle

The Bombardier Transportation UK Pension Plan

Transfer Settlement

Member: Gordon William Thomas National Insurance Number: WK892173A

By completing and returning the application to proceed with the transfer of benefits, Mr Thomas has applied to the Trustees of The Bombardier Transportation UK Pension Plan to pay a transfer value to Gordon Thomas Pension Scheme ref: 3301-30261-3.

I have arranged payment of £ 70,424.21 by BACS directly into the receiving scheme bank account.

The transfer payment is split as follows:

Pre 1997	£ 0.00	(includes £ 0.00 Protected Rights)
Post 1997	£70,424.21	(all contracted-out rights)

This transfer value is paid on the understanding that all information given and received by us is factually correct. If any material information has changed since your response to our enquiries, please contact me immediately.

Payment of the transfer value has now removed any liability for any benefits in respect of the member and any dependants from The Bombardier Transportation UK Pension Plan.

I trust that you find this satisfactory. However if you have any questions, please do not hesitate to contact me.

Yours sincerely

Catherine Waddington
