Sally Fox
Pension Services Manager

Dear Sir / Madam

The Local Government Pension Scheme (LGPS)

Transfer out of Pension Rights

Name: Terence Albert Charles Hanrahan National Insurance Number: YY183954A

I write with regard to your request for information of the above member's LGPS pension benefits.

Please find enclosed:

- A Transfer Value Statement and
- A Transfer Request form.

I have calculated the transfer value to be £317,917.91. This is based on the receiving scheme being a UK based non-club contracted out scheme. If this is not the case please contact me for a revised valuation.

I have assumed Mr Hanrahan was born on 25th October 1955. If this is incorrect, please contact me immediately and I will send a revised transfer value to you. Dependant on all the information used being correct, the transfer value is guaranteed for three months from the date of this letter.

Each member of the LGPS can have one Transfer Value Statement in any 12 month period, free of charge. If a second Transfer Value is requested, we will charge £150 plus VAT (£180).

If the member decides not to transfer, they have entitlement to a refund of pension contributions. I enclose a refund claim form which I would ask you to forward to the member.

Last reviewed: 23/06/2014

If the member decides not to transfer, they will have entitlement to deferred benefits payable from 25th October 2015 of:

Annual Pension:	£14043.57
Retirement Grant:	£42130.70
Partner's Pension:	£ 7021.80

The Partner's Pension is only payable to the spouse, civil partner or nominated co-habiting partner in the event of the member's death.

If Mr Hanrahan decides to transfer out of the LGPS, I will need:

- The Transfer Request form, completed by the member and new scheme administrator
- A photocopy of Mr Hanrahan's birth certificate or passport
- A photocopy of the certificate confirming Mr Hanrahan's marital status, if relevant
- A copy of the new scheme's Pension Scheme Registration Certificate
- A copy of the HM Revenue and Customs letter confirming the new scheme is a Qualified Registered Overseas Pension Scheme.

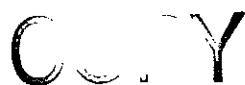

We will make payment by the Bankers' Automated Clearing Service (BACS).

The figures shown are an estimate and this estimate does not confer any contractual or statutory rights. It is provided for information purposes only and is based on our current understanding of the current LGPS regulations and the information we hold on your pension record.

Your actual pension entitlement will depend on the LGPS regulations in force at the time you leave the scheme. These may be different from the current LGPS regulations and may result in changes to your pension entitlement.

Please contact me if you have any further queries.

Yours faithfully

Mario Kyriacou
Administrator

PART A – To be completed by the member

You must complete part A, signing one of the relevant Declaration Forms, and forwarding the entire form and supporting documents to your new scheme administrators.

A Qualified Registered Overseas Pension Scheme (QROPS) is an overseas pension scheme that can receive a transfer of a value of a member's pension fund and pension rights from a UK registered pension scheme.

If you wish to transfer to a QROPS, you must complete the QROPS Declaration in section 2, if you are transferring to any other pension scheme, you must complete the Non-QROPS Declaration in section 1.

If we receive the request to transfer within three months of the calculation date shown on your transfer value statement, we will pay the amount we have quoted. If we receive this form later we will recalculate the transfer value and pay the new amount. That could be more or less than the original figure.

The OCCPF will only then make payment once we have received:

- Parts A and B of the Transfer Request Form
- A photocopy of your birth certificate or passport and if necessary
- A photocopy of your certificate confirming marital status.

Transfer Request Form

To transfer a Local Government Pension Scheme (LGPS) pension (including any Additional Voluntary Contributions (AVC) within the fund):

The member's new scheme (The Scheme) must use the transfer value details to calculate the estimated value of benefits within The Scheme and pass this information to the member.

The member must read the details provided by both schemes before coming to a decision.

If the member wishes to transfer, they must complete Part A of this form ensuring they sign the correct declaration and return the entire form, with supporting documents, to The Scheme.

The Scheme will need to complete Part B of this form before returning it to the Oxfordshire County Council Pension Fund (OCCPF), requesting payment of the transfer value.

As long as the OCCPF have all the requested information within 3 months of the relevant date on the transfer value statement, they will make payment of the quoted transfer value within 2 weeks.

Data Protection

Oxfordshire County Council Pension Fund will use the information you have provided to amend and update your pension records in order to administer your pension. The information may also be shared with our agents and others in connection with administering your pension. Otherwise, we will keep the information you have supplied confidential and will not share it with others without your agreement, except where the law permits.

Under the terms of the Data Protection Act 1998 you are entitled to request a copy of information we hold relating to you. A small charge will be payable.

SECTION 1 – NON-QROPS TRANSFER DECLARATION

I declare that:

- I have received details of the deferred benefits (if any) I hold under the Local Government Pension Scheme (LGPS) in the Oxfordshire County Council Pension Fund (OCCPF) and details of the cash equivalent transfer value (CETV) I have received a statement from the scheme where I wish the CETV to be paid showing the benefits the transfer payment would buy for me in that scheme
- Having considered the choices available to me, I wish the OCCPF to pay the CETV (including the transfer value of any Additional Voluntary Contributions (AVC) I made) to the scheme I have named on this form
- I have not rejoined the LGPS within one month and one day of leaving the scheme

I understand that:

- The benefits the transfer value buys in the new scheme may be in a different form and of a different amount to those payable under the LGPS from the OCCPF
- There is no statutory requirement on the receiving scheme to provide for survivor's benefits out of the transfer payment;
- It is my responsibility to ensure the benefits the transfer value buys in the new scheme are suitable for me and my family and that no responsibility for this rests with the OCCPF, the LGPS administering authority or my former employer;
- On payment of the transfer value I will have no further benefits due from the OCCPF in respect of the rights to which the transfer value relates. Neither I nor my dependants will have any further claim in any circumstances or in any form on the OCCPF, the LGPS administering authority or my former employer for any rights to which the transfer value relates.

Signed:.....Stausahan.....

Date:.....06/01/2015.....

SECTION 2 – QROPS TRANSFER DECLARATION ONLY

Her Majesty's Revenue and Customs (HMRC) make the tax rules that cover all pension schemes. From 6 April 2006, any pension scheme bringing a pension into payment or transferring to a QROPS must assess the value of all the member's benefits currently in payment and amount of transfers paid to QROPS against the Life Time Allowance (LTA).

Where the LTA is exceeded tax will be due at 25% of the value that has exceeded the LTA. This is in addition to any PAYE tax due.

The LTA for 2014/15 is £1.25 million.

Where do I get information about the values with other arrangements?

The administrators of your previous scheme will be able to provide you with your Life Time Allowance, or how much of your LTA their pension has used.

Listed below are benefits you **should not** include on this form as they are not measured against the Lifetime Allowance at this time:

- An entitlement to a pension following death e.g. a spouse's or dependant's pension
- Pension benefits that are payable to you after
- State Pension and
- State Pension Credit.

* Delete as appropriate

Do you have any other pensions in payment on or before **YES / NO***

If yes, please complete the details below for each pension:

Name of Scheme	Date Pension Started or Date Transferred	% of LTA or current annual pension or Transfer Value

I declare that:

- I have received details of the deferred benefits (if any) I hold under the Local Government Pension Scheme (LGPS) in the Oxfordshire County Council Pension Fund (OCCPF) and details of the transfer value of them
- I am a member of the QROPS named on this form
- If the QROPS named on this form is an occupational scheme, I am in employment to which the QROPS named above applies
- The information I have provided in this form is correct to the best of my knowledge. If further tax becomes payable because the information I have provided above is proven to be incorrect then I understand that I will be wholly and personally liable for the tax charge due and any resultant penalty as may be imposed by HMRC.
- I have received a statement from the QROPS named on this form showing the benefits the transfer payment would buy for me in that scheme and the conditions (if any) on which those benefits could be forfeited or withheld
- I have not rejoined the LGPS within one month and one day of leaving the scheme.

I understand and accept that:

- The transfer value represents the whole of my LGPS benefits in the OCCPF including, if any, Guaranteed Minimum Pension (GMP) and post 1997 contracted out rights, and any Additional Voluntary Contributions (AVC) I made
- The QROPS named on this form may not be regulated in any way by the law of the United Kingdom and that as a consequence there may be no obligation under that law on the QROPS or its trustees or administrators to provide any particular value or benefit in return for the transfer payment
- A transfer value representing accrued rights under the LGPS in the OCCPF, if not a recognised transfer to a qualifying recognised overseas pension scheme, will give rise to a liability under section 208 of the Finance Act 2004 (unauthorised payments charge) and may give rise to a liability under section 209 of that ACT (unauthorised payment surcharge)
- In some circumstances a future payment made or treated as made by a QROPS may be treated as an unauthorised payment giving rise to a liability to pay tax in the UK

I wish to have the transfer value of my pension rights under the LGPS in the OCCPF, including any AVC I made, transferred to the QROPS I have named on this form. I understand that:

- The benefits the transfer value buys in the QROPS may not be equal or equivalent to those I or my dependants may otherwise have become entitled to from the OCCPF
- It is my responsibility to ensure the benefits the transfer value buys in the QROPS are suitable for me and my family and that no responsibility for this rests with the OCCPF, the LGPS administering authority or my former employer
- On payment of the transfer value I will have no further benefits from the OCCPF in respect of the rights to which the transfer value relates. Neither I nor my dependants will have any further claim in any circumstances or in any form on the OCCPF, the LGPS administering authority or my former employer for any rights to which the transfer value relates.

Signed: Stawahan
