Dear Miss Hawa,

Welcome to Insignis Cash!

We have the pleasure of attaching an electronic copy of your Welcome Letter. This contains all the information you need to proceed as a SSAS client of Insignis Cash Solutions. This has been encrypted and the password shall be sent to you via text message. We can confirm that your Insignis online account has been created and is ready for you to make your initial deposit.

You will shortly receive an automated email. This will contain a temporary password for your initial logon to the platform if you would like to see the account.

Once we have received your initial deposit your portfolio will be updated accordingly.

**Next Steps:**

Once funds have arrived into your hub account you can then place your funds into the desired spoke accounts of your choice by logging into the platform or contacting the client services team to assist you with placement.

How to find the available rates:

Log in via [insigniscash.com](https://insigniscash.com) > Go to Banks and Rates and select your hub account > Choose your spoke accounts.

If you have any questions at all then please do let us know.

Kind regards,

**Client Services Team**
