7th October 2021

Dear Ms McAlister

Your Fixed Deposit will mature on **21st October 2021** and we would like to thank you for being a UTB customer and offer you a great reason to keep your savings with us.

We understand how important it is for businesses to make their money work hard and we would like to offer you a range of exclusive products with preferential interest rates available only to our existing customers. Details of these highly competitive bonds can be found in the attached letter. We guarantee these rates will be available to you until your maturity date. However, it is important to note the rates are subject to change after the fixed term account has matured.

To take advantage of this offer, or to give other instructions, please email us at reinvestments@utbank.co.uk with the account name, account number, your postcode and the details of what you would like to do next.

Alternatively, you can give us your instructions using the letter enclosed, returned to us in the prepaid envelope.

If we don't hear from you, we will automatically reinvest your deposit into a seven day instant access account. As you may expect, the interest payable on these instant access accounts is quite low, currently just 0.10% Gross/AER. There are options available paying a higher rate of interest so please don't delay in telling us what you would like to do when your Fixed Deposit matures.

If still haven't heard from you following a maximum of four, seven day renewals (i.e. 28 days following your original account maturity date), we will make a full repayment of your balance to your nominated bank account electronically.

If you have already provided your instructions, perhaps through another means, you do not need to do anything further.

Thank you once again for being a valued United Trust Bank customer and we look forward to hearing from you.

Yours sincerely

Additional information (all or some of the below)

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy, or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained at www.fscs.org.uk

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.
