#### Important information

Reservations and fares are valid on the crossings shown above. Should you not travel at these times, or where an open ticket is bought, you may have to pay a surcharge at check-in. Proof of identity of lead passenger named above may be required at check-in.

#### Check-in and late arrivals:

Passengers in vehicles; at least 30 minutes but not more than one hour before departure. Foot passengers; at least 15 minutes before departure. You may not be able to board if you miss check-in. For operating reasons ships may have to sail before or after advertised times. At peak times passengers arriving early may be asked to return closer to their booked time as space is limited. Please have this document ready on arrival for prompt check-in. We will try to ship passengers who arrive late within 2 hours of their scheduled sailing time on the next available ferry. Arrivals at port more than 2 hours after scheduled sailing time will be classed as a No Show booking & a revision to your booking can be made, subject to availability, if you travel before 23:59 on same day. Payment for any increase in booking costs is required before sailing. If revised sailing is cheaper, no refunds. If there is no availability & you decide to travel on a subsequent day, you will need to buy a new ticket.

#### Amendments & cancellations:

If you change your ticket online or by contacting us a fee may be charged. Amendments can be made up to 1 hour before scheduled sailing. Economy Ticket: Non-refundable. Standard Ticket: No amendment fee. Refundable if cancelled 24 hours before scheduled departure (fees apply). Tickets purchased through an agent (e.g. holiday company): contact them to change/cancel. Any change in sailing time is dependent on space being available and fare may be higher than originally paid.
