Dear Mr Hague

AJ Bell Investcentre - SCC893575

We are writing to make you aware of the outstanding charges on your account.

Outstanding SIPP cash account charges £0.00
--

Outstanding Funds & Shares Service charges £77.75
--

It would normally be your financial adviser's responsibility to ensure that there is sufficient cash in your account to cover our charges. As there is currently no financial adviser assigned to your account, this responsibility falls to you. You may have to pay additional charges (outlined below), if you do not take one of the following actions.

-  Sell an investment and/or make a cash movement. The following link details the process for all investment types: https://www.investcentre.co.uk/sites/default/files/AJBIC_Non-advised_making_sufficient_funds_available.pdf
For SIPPs, you will also need to make a cash movement to cover any outstanding charges on the SIPP cash account.
-  Make a payment into your account, subject to available personal limits for SIPP contributions or ISA subscriptions. To make a payment, please email us to obtain a form and our bank account details. Please also consider any protection you may lose as a result.
