

Pension trust mandate

(the "Mandate")

To: Bank of Scotland plc (the "Bank")

We,

John Adrian Launders

Diane Mary Launders

(the "Individual Trustee(s)")

and, where applicable,

N/A

(the "Corporate Trustee(s)")

(together the "Trustees") of the

JL Trading Ltd Pension Fund

(the "Scheme")

confirm to the Bank our agreement to the Terms and Conditions set out in Section 3, that the following has been agreed by us in our capacity as Trustees of the Scheme and the Bank should act in accordance with the following until the receipt by the Bank of notice to the contrary signed in accordance with paragraph 5 of Section 1:

SECTION 1

- 1 We request that a banking relationship between us (in our capacity as Trustees of the Scheme) and the Bank be established.
- 2
- 2.1 We instruct the Bank to pay, honour and debit to any account(s) (whether in credit or overdrawn or becoming overdrawn in consequence of such debit) all cheques, drafts, payment instructions or requests or any other orders or receipts for money made, or purporting to be made, on behalf of the Scheme, provided they are signed or accepted or issued either (i) in writing signed in accordance with paragraph 4.1 of Section 1 or (ii) by electronic or other mechanical means in accordance with all relevant instructions which have been provided to the Bank by the Trustees (in their capacity as trustees of the Scheme).
- 2.2 In relation to the accounts in the name of the Scheme referred to in paragraph 2.1 above, we instruct the Bank:
 - (a) To accept and act in accordance with paragraph 4.2 of Section 1 to transfer funds between any account(s) in the name of the Scheme and to debit or credit such account(s) as is necessary to comply with such request or order.
 - (b) To act in accordance with paragraph 4.3 of Section 1 to withdraw or deal with any securities, documents or other property which the Bank may from time to time hold on the Scheme's or on the Trustees' (in their capacity as trustees of the Scheme) behalf whether for safe custody or otherwise.
 - (c) To accept for the credit of any of such account(s) any remittances tendered to the Bank in the name of the Scheme or in the name of the Trustees in respect of or on behalf of the Scheme or in the name of a Corporate Trustee in respect of or on behalf of the Scheme.
 - (d) To accept and act in accordance with paragraph 4.4 of Section 1 to approve and execute any agreement relating to the account(s) of the Scheme with the Bank for the provision of banking services by electronic or similar means such as those available but not limited to those electronic and on-line banking products and services available on www.lloydsbankcorporatemarkets.com/Products-and-Services.
- 2.3 We instruct the Bank to accept and act upon the signature of any two directors (or a director and company secretary) of a Corporate Trustee to confirm those persons from time to time authorised to sign on behalf of that Corporate Trustee, without any requirement for the Bank to obtain the confirmation, agreement or otherwise of any other Trustee or party.
- 3 All persons authorised to sign on behalf of the Scheme must be listed by name or designated e.g. "Any Individual Trustee" or "Any/The Corporate Trustee". It is often useful to specify different levels of signing power by the use of Panel A and Panel B signatories. By way of example, all of the Corporate Trustee signatories could be Panel A signatories and all of the Individual Trustee signatories could be Panel B signatories and instruction 2.2(a) above could require that payments below a certain amount are signed by any two Panel A signatories and a Panel B signatory but payments above that amount require any two Panel A signatories, or whatever combination is considered appropriate.

There is no obligation to make use of different levels of signing authority, and, if opting not to do so, insert all of the persons authorised to sign on behalf of the Scheme in Panel A and rule a line across the Panel B box. If you have any requirements that are not addressed by the space and combinations available please contact your Relationship Manager.

DO NOT SIGN HERE - PLEASE SIGN AT SECTION 2 (AND ALSO AT PARAGRAPH 4 OF SECTION 4 IF YOU ARE ALSO AN AUTHORISED SIGNATORY OF A CORPORATE TRUSTEE)

SECTION 3

Terms and Conditions

- 1 The Bank and the Trustees (in their capacity as trustees of the Scheme) agree that the following terms and conditions are the Terms and Conditions and, subject to the Terms and Conditions, apply to the accounts to which the Mandate applies.
- 2 None of the Terms and Conditions will affect the terms and conditions of the Scheme's existing accounts held with the Bank or any services provided to the Scheme by the Bank. In the event there is any conflict between the Terms and Conditions and any terms and conditions applying to such existing accounts and services, the other terms and conditions will apply to the exclusion of the Terms and Conditions.
- 3 The Bank undertakes to the Trustees that it will exercise reasonable care and skill when acting in accordance with the instructions of the Trustees referred to in the Mandate.
- 4 The Trustees acknowledge that if cheques are completed by printed, electronic or other mechanical means, such cheques may be easier to alter fraudulently or replicate than hand-written cheques. Any liability incurred by the Bank in respect of any such cheque will be dealt with in accordance with paragraph 6 of Section 3.
- 5 To the extent that any account(s) in the name of the Scheme (or any accounts replacing or substituting those existing accounts) are overdrawn or become overdrawn following the Bank acting in accordance with the instructions set out in the Mandate, the Trustees agree that they will be jointly and severally liable for the repayment (with interest) of any such overdrawn sum and of any money advanced on any loan account save that: (i) such liability shall only be in respect of account(s) in the name of the Scheme and no other account(s) in any other name; and (ii) the liability of each and any Corporate Trustee shall be limited to the value of the assets of the Scheme but without prejudice to the joint and several liability of the other Trustees.
- 6 The Bank shall not be liable for and the Trustees shall indemnify the Bank in respect of all losses, claims, actions, proceedings, demands, damages, costs and expenses incurred or sustained by the Bank arising out of or in connection with any cheques and payment instructions given in pursuance of the terms of the Mandate, unless it should have been readily apparent to a reasonable banker processing such cheques, payment or other instructions in the ordinary course of business that (where applicable) the signature or facsimile was not the signature or facsimile authorised by the Trustees or that any cheque or payment or other instructions had been altered or falsified in any way.
- 7 The Trustees will examine bank statements, confirmations and communications within a reasonable time after receiving them, and will promptly advise the Bank of any apparent mistake or discrepancy.
- 8 Where the Trustees specify monetary limitations in the Mandate they shall be designated in sterling.
- 9 Subject to the provisions on liability in any particular terms and conditions for any service with the Bank, the Trustees agree that they shall be liable to the Bank for all sums that become due to the Bank in connection with this Mandate. Furthermore, the Trustees agree to indemnify the Bank in respect of all or any actions, proceedings, losses, costs, claims, damages, charges or expenses that may be raised against or incurred by the Bank as a consequence of acting on any instructions given to the Bank in accordance with the Mandate, except in circumstances where any losses are as a result of the fraudulent actions of an unrelated third party.
- 10 The Bank will not be liable for any loss of profits, loss of goodwill, depletion of goodwill or similar losses, loss of anticipated savings, loss of or corruption of data or information or any indirect or consequential loss, costs, damages, charges or expenses or any form of special damages arising from the operation of the Scheme's account(s) whether or not such liability was foreseeable and whether or not the Bank has been advised of the possibility of such loss being incurred.
- 11 The Bank's total liability in contract, tort/delict (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise arising in connection with the account(s) or any performance or contemplated performance of the terms of the Mandate shall be limited to the monetary amount of the relevant transaction in relation to the account(s) in respect of which the Bank has incurred a liability hereunder.
- 12 Nothing in the terms of the Mandate limits or excludes the liability of the Bank for fraud or fraudulent misrepresentation by the Bank or its employees or agents or the liability of the Bank for death or personal injury caused by the negligence of the Bank or its employees or agents.
- 13 The Bank shall have no liability or be deemed to be in breach of any obligations to the Trustees or to the Scheme for any failure or delay in the performance of any instructions given in accordance with the Mandate arising from events or circumstances beyond its reasonable control, including but not limited to fire, flood, act of God or other catastrophe, strikes, lock outs or other industrial dispute, failure of any utility service, any form of war, hostilities, terrorist activity, compliance with any law or governmental rule, regulation or direction or default of suppliers or subcontractors. The Bank will endeavour to mitigate the effects of any failure or delay so far as is reasonably practicable and will give the Trustees (in their capacity as trustees of the Scheme) details of the event or circumstance and any other information which it considers to be relevant as soon as reasonably practicable.
- 14 If the Trustees, in their capacity as trustees of the Scheme, enter into a separate agreement with the Bank in respect of the supply by the Bank of specific services to the Scheme and (i) if signatories and/or users of such services are properly authorised in respect of the Scheme by the Trustees, or some of them, in accordance with the Scheme's Trust Deed (or other relevant constitutional documents) constitution of scheme and (ii) the Bank is directed to act on the instructions of such properly authorised signatories and/or users of such services then nothing in the Mandate will affect the validity of those authorisations and, in relation to such services (including those which relate to the operation of the Scheme's account(s) which are the subject of the Mandate), the specific authorisations and instructions will take priority over the instructions set out in the Mandate.
- 15 The Trustees in their capacity as trustees of the Scheme agree that the Bank may:
 - (i) request confirmation of the identity of any of the Trustees in their capacity as trustees of the Scheme or of the status of the Scheme from another bank, if required, and
 - (ii) suspend operations on any accounts held with and/or services provided by the Bank until satisfactory confirmation has been supplied.
- 16 The Payment Services Regulations 2009 (SI 2009/209), as may be amended or superseded from time to time, shall apply to the agreement between the Trustees and the Bank in relation to the accounts of the Scheme to which this Mandate applies but only insofar as they are provided for in the terms and conditions applying to such accounts and all other provisions contained in the said regulations are excluded to the fullest extent permitted by law.
- 17 No term of the Mandate is intended to be for the benefit of any third party and the Bank and the Trustees (in their capacity as trustees of the Scheme) do not intend that any term of the Mandate or any transaction carried out under it shall confer any benefit on or be enforceable by any party other than the Bank or the Trustees in respect of the Scheme.
- 18 Some telephone calls may be monitored or recorded in case the Bank needs to check that it has carried out the Trustee's instructions correctly and to help improve the Bank's quality of service.
- 19 The Trustees shall furnish the Bank with a copy of the Scheme's trust deed or information relating to the Scheme's trust deed (or any other constitutional documents) on request by the Bank.

- 20** The Trustees shall notify the Bank promptly in writing on the resignation of any Trustee or on the appointment of any new Trustee to the Scheme. The Bank must be satisfied with its identification and other checks in relation to any new Trustee and receive an appropriate notice from the Trustees in accordance with this Mandate before it is required to accept instructions which include the signature or other involvement of that Trustee. On the resignation of any Trustee, the remaining Trustees shall supply the Bank on request with evidence of the resignation and the continuation of the trust constituting the Scheme. If the Bank does so request and is not satisfied with such evidence it may suspend operation of any accounts held with and/or other services provided by the Bank until it receives evidence satisfactory to it.
- 21** If any Corporate Trustee is incorporated outside the United Kingdom, references in the Resolution to director(s) and the secretary shall be taken to refer to the equivalent officers of that company according to the law applicable in the place of the Corporate Trustee's incorporation.
- 22** All notices to be given by the Bank to the Trustees in their capacity as Trustees of the Scheme will be given by the Bank at the correspondence address given to the Bank in the Application Form completed by the Trustees at the time of first opening an account of the Bank (or as advised to the Bank from time to time). Once a notice is delivered to that address, the notice shall be deemed to have been served on all the Trustees.
- 23** The Mandate and any dispute or claim arising out of or in connection with its subject matter (including any non-contractual disputes or claims) is governed by and construed according to the law specified in the terms and conditions applying to the relevant account of the Scheme and the Trustees, in their capacity as trustees of the Scheme, submit to the exclusive jurisdiction of the courts of the relevant jurisdiction.
