**Fees Explained**

**Monthly Overdraft usage fee** - This £6.00 fee is charged in any monthly billing period that you go overdrawn beyond a buffer or any interest and fee free Planned Overdraft limit that applies to your account. You are only ever charged one fee in any billing period no matter how many times you use a Planned or Unplanned Overdraft within that monthly billing period.

**Unplanned Overdraft daily fee** - The daily fee we charge you for using an Unplanned Overdraft (limited to a maximum of 8 daily fees in a monthly billing period). The amount of the fee will be worked out at the end of each day (including weekends and bank holidays) on the balance of your Unplanned Overdraft over any interest and fee free buffer. The fee is: £5.00 a day if your Unplanned Overdraft balance is £24.99 or less; £10.00 a day if your Unplanned Overdraft balance is £25.00 or more.

**Returned item fee** - The fee we charge when you do not have enough available money to make a payment you requested and we did not agree to give you or extend an Unplanned Overdraft to cover that payment. The fee is £10.00 for each returned item over £10.00 in value (maximum of 3 fees a day).

**Other services** - These are fees for other services you have asked for. You can find more details in our Banking Charges guide or at [www.lloydstsb.com](http://www.lloydstsb.com)
