Hi Tobin,

Yes it seems not all the transfer fees were paid at remittance. Don't worry though we shall still cover the investment as £50k and then on the returns being paid, the account will balance out.

Hi both,

I hope you're looking forward to what looks to be a beautiful weekend?

I've just received the below.....

There's obviously been a transactional charge for moving the money but I wonder whether it can still be allocated as I was under the impression it was a £50k minimum entry?

Thanks

Tobin Jenkins
