

Single payments, transfer payments or instructions given to us in the last 3 working days before 3 July 2020 for Standard Life Insured Funds may not be included and will show on your next yearly statement if they are not shown on this one.

▶ Payments in the last 12 months

Payments into your plan up to 3 Jul 2020	£0.00
Payments out of your plan up to 3 Jul 2020	£780.11

The total payments invested since your plan started is £79,930.74.

If you need full details of all charges and payments over the last year, or more information about your investments, please go to www.fundsnetwork.co.uk - or you can call us.

▶ Is your retirement date right?

These figures are based on a retirement date of 18 April 2024. If this is not your intended retirement date, it's important you let us know, so we can provide you with information about your retirement options at the right time. We can also give you a revised illustration showing the values at your intended retirement date.

▶ Will you have enough money to enjoy the retirement you want?

It's important to remind you that the amount you pay into your pension fund makes a difference to the amount of income you can expect to get back at retirement.

The detail

Current value

We've shown the amount you could have transferred to another plan on 3 July 2020. This amount is not guaranteed.

▶ **Current value:** **£99,315.56**

If you die with money still invested in your plan, we'll pay any remaining value as benefits. Please contact us for more information.

Your investments

	Total investments
Value on 3 Jul 2020	£99,315.56

You need to review your funds

It's important to review your fund choice regularly. The funds you choose can make a big difference to the value of your plan, and the income you can enjoy at retirement. You can switch funds, or keep them the same. We recommend you speak to your adviser before making investment changes.

Important information:

- We are not liable for any missing or incorrect information from a third party
- Figures are calculated using last known values
