Scheme registration complete

Thank you for completing your scheme registration with the Pensions Regulator.

Trustees are legally obliged to keep the details of their scheme up to date.

All occupational and personal pension schemes that register with The Pensions Regulator are liable to pay levy.

Direct debit is the easy way to pay your scheme levy. It's a safe and secure way to make payments, it's free to set up and can save you time and effort (no need to post a cheque).

Set up a direct debit today in 3 easy steps:

- 1. **Navigate** to the 'My schemes' page and select from your list of associated schemes
- 2. **Choose** 'Maintain/View scheme levy' from the 'Scheme options' page
- 3. **Select** 'Set up a direct debit for levy payments'
