### **How we calculated your valuation**

This valuation has been provided by AJ Bell Securities Limited.

All prices have been quoted at their value at the close of business on the valuation date. If the valuation date is a non-business day, the prices have been quoted at their value at the close of business on the last business day before the valuation date.

UK-listed investments have been valued at the mid-price quoted on the London Stock Exchange. Unit trust funds have also been valued at the mid-price, and OEICs have been single-priced. Overseas investments have been valued at the last traded price on their relevant home stock exchange, and converted to sterling. If a market price for an investment wasn't available (likely to be because of a lack of liquidity in the market), we've estimated its value as best we can – all estimates are identified with an asterisk (\*).

If an investment has been suspended, AJ Bell Securities Limited's policy is to value it at zero until public pricing is established or re-established.
