- 2) The member trustee as Trustee is satisfied, and is authorised to declare, that:

  - The instruments or agreements by which this pension scheme is constituted do not directly or indirectly entitle any person to unauthorised payments. In addition, the way in which the pension scheme is to be administered will not knowingly entitle any person to unauthorised payments.
  - There are no reasonable grounds for which they would not be deemed a fit and proper person to act as the Registered Administrator for the Scheme.
  - They understand that as Scheme Administrator they are responsible for discharging the functions conferred or imposed on the Scheme Administrator of the pension scheme by Finance Act 2004, and that they intend to discharge those functions at all times, whether resident in the United Kingdom or another EU member state or non-member EEA state. They understand that they may be liable to a penalty and the pension scheme may be de-registered if they fail properly to discharge those functions. They understand that they may be liable to a penalty and the pension scheme may be de-registered if a false statement is made on this application, or in any information they provide in connection with this application, and that false statements may also lead to prosecution.
- 3) The Trustee is further authorised to make such necessary declarations and provide ongoing reporting requirements in order to maintain the tax integrity of the Scheme.

- 4) Electronic signatures adopted in accordance with Electronic Signatures Regulation 2002 (SI 2002 No. 318), whether digital or encrypted, by any and all the parties included in this document are intended to authenticate this document and shall have the same force and effect as manual signatures.
