Loan Notes Explained

If you are reading this document, you will have chosen to Invest into Dolphin Capital GmbH for 5 Years.

Please read this document in association with our Information Memorandum and a document entitled Loan Note Instrument.

Based on the advice given to Dolphin Capital GmbH by our UK Lawyers (Pittmans Solicitors) we have adopted a specific method for taking in Loans. This is to ensure we comply with appropriate UK regulations.

Our method of taking in Loans is known as a Loan Note Instrument (LNI) mechanism.

The LNI is a detailed legal document that explains how our Loan Notes work in finite detail. You will have read and accepted this document as part of the investment process.

It is hereby declared that the liability of Rowanmoor Trustees Limited is limited in all circumstances to the assets of The Masons Arms (York) Ltd Executive Pension Scheme for which the Loan Notes are held.

When using a Loan Note Instrument, the process dictates that we have to issue investors with a Loan Note Offer Letter.

The Loan Note Offer Letter details the basic terms of the offering from Dolphin Capital GmbH to you as the Investor.

This Loan Note Offer Letter needs to be signed by you and returned to us.

Once we have received the signed Loan Note Offer Letter and your investment money has been banked by our appointed German Lawyers (BK Law) you will receive a signed Loan Note Certificate in your welcome pack.

It is important that you print this Loan Note Certificate off and keep it somewhere safe.
