MCH HOLDINGS LIMITED DIRECTORS PENSION

Trustees' report

For the period ended 1 March 2010

Introduction

The trustees of MCH HOLDINGS LIMITED DIRECTORS PENSION present their annual report together with the financial statements for the period ended 1 March 2010. The scheme is a scheme.

Constitution of the scheme

The scheme is governed by a definitive trust deed and rules dated 26 August 2009.

Trustees

The trustees are responsible for the administration and investment policy of the scheme.

The scheme rules contain provisions for the appointment and removal of the trustees. The names of the current trustees are included at the front of this report.

Statement of trustees' responsibilities

The financial statements are the responsibility of the trustees. Pension scheme regulations require the trustees to make available to scheme members, beneficiaries and certain other parties, financial statements for each scheme year which:

- show a true and fair view of the financial transactions of the scheme during the scheme period and of the amount and disposition at the end of that period of the assets and liabilities, other than liabilities to pay pensions and benefits after the end of the scheme period, and
- contain the information specified in the Schedule to The Occupational Pension Schemes Regulations 1996, including a statement whether the financial statements have been prepared in accordance with the Statement of Recommended Practice 'Financial Reports of Pension Schemes' (Revised May 2007).

The trustees have supervised the preparation of the financial statements and have agreed suitable accounting policies, to be applied consistently, making any estimates and judgements on a prudent and reasonable basis.

The trustees are also responsible for making available certain other information about the scheme in the form of an annual report.

The trustees are responsible under pensions legislation for ensuring that there is prepared, maintained and from time to time revised a payment schedule showing rates of normal contributions payable towards the scheme by or on behalf of the employer and the active members of the scheme and the dates on or before which such contributions are to be paid. The trustees are also responsible for keeping records in respect of contributions received in respect of any active member of the scheme and for procuring that contributions are made to the scheme in accordance with the schedule of contributions. Where breaches of the schedule occur, the trustees are required by the Pensions Acts 1995 and 2004 to consider making reports to The Pensions Regulator and the members.

The trustees also have a general responsibility for ensuring that adequate accounting records are kept and for taking such steps as are reasonably open to them to safeguard the assets of the scheme and to prevent and detect fraud and other irregularities, including the maintenance of an appropriate system of internal control.
