Our fleet of vehicles are not exempt from toll/congestion charges.

The hirer is responsible for all respective toll and congestion charge zones. This also includes the Dartford Crossing between 6am and 10pm. There is no longer a facility to pay at the barriers when using the Dartford Crossing.

You must pay by midnight on the day after you cross. The payment service is called Dart Charge, using the following link <https://www.gov.uk/pay-dartford-crossing-charge>
