The transferor must execute this transfer as a deed using the space opposite. If there is more than one transferor, all must execute. Forms of execution are given in Schedule 9 to the Land Registration Rules 2003. If the transfer contains transferee's covenants or declarations or contains an application by the transferee (such as for a restriction), it must also be executed by the transferee.

If there is more than one transferee and panel 10 has been completed, each transferee must also execute this transfer to comply with the requirements in section 53(1)(b) of the Law of Property Act 1925 relating to the declaration of a trust of land. Please refer to [Joint property ownership](#) and [practice guide 24: private trusts of land](#) for further guidance.

Examples of the correct form of execution are set out in [practice guide 8: execution of deeds](#). Execution as a deed usually means that a witness must also sign, and add their name and address.
