We need some more information

We have received a request to confirm the registration status of your scheme in order to assist a transferor scheme in deciding whether or not a transfer should be made.

Before HM Revenue & Customs (HMRC) can respond we need to be satisfied that your scheme does not indicate a significant risk of the scheme being set up or being used to facilitate pension liberation. On page 2 we have identified potential liberation indicators that we believe are displayed by this scheme.

In order for us to consider your scheme further, please send us the following.

- 1 A signed paper copy of the scheme rules for Mersey 55 Retirement Scheme.
- 2 A signed paper copy of the trust deed for Mersey 55 Retirement Scheme.
- 3 Paper copies of any documents that you have given or intend to give to members of the scheme.
- 4 Details of how the scheme funds will be invested. If transfers are being placed on account, details of the investments the trustees are considering.

- 9 The Corporation Tax reference of the employer. (Occupational Schemes only)

We will need to keep all of the documents you send us so please make sure you keep any copies you need for your own records.

If you do not send this information by 28 March 2014, we will respond to any requests to confirm the registration status of this scheme, informing them that we are unable to provide the confirmation they are requesting.
