Dear Sirs

RE: Proposed transfer of Marday Narainen pension benefits under the Narainen SSAS

We are writing to you in connection with the proposed transfer of the following member's pension benefits held by the Narainen SSAS pension scheme to Royal London.

Name: Marday Narainen
DOB: 22/10/1954
Address: 7 MAURETANIA WAY, BROOKLANDS, MILTON KEYNES, MK107HL
NINO: PX208272A

It should be noted that, as a small self-administered scheme, Marday Narainen is a member-trustee of the Narainen SSAS, and that the transfer of their pension benefits has the effect of them discharging themselves from the Narainen SSAS; nonetheless, as the scheme's registered administrator, we have been asked by the trustees of the Narainen SSAS, and are able, to confirm that the proposed transfer amount will constitute a full cash transfer of Marday Narainen funds and a final discharge of all pension benefits held for Marday Narainen under the Narainen SSAS.

As evidenced by their signature affixed to this letter, Marday Narainen confirms that:

- They agree that the transfer will extinguish all pension rights held by them under the Narainen SSAS
- They have confirmed that the receiving scheme is capable of receiving the proposed transfer
- They are happy to proceed with the transfer
- Once the transfer has been effected, they release the trustees, the scheme administrator and their respective agents from all claims and demands that they may have against them in respect of their pension rights under the Narainen SSAS

We trust that this is sufficient for your needs and that you will be able to receive the proposed transfer with no undue delay.

Please do not hesitate to contact us should you require any further information.

Yours sincerely

Signed on behalf of Registered Scheme Administrator
