Dear Sirs

NICOLA STEELE

We write to confirm we act on behalf of our above named client in all taxation matters.

We can confirm our client's payroll is processed as an annual payroll and therefore does not receive monthly payslips.

Please note the annual gross pay is £12,000 and deducted from this is our clients National Insurance Contribution of £11.71 which leaves net pay of £11,988.29.

If you have any further queries please contact our Director Jane Humby.

Yours faithfully
