## **Hallsdale Insurance Brokers Ltd** **Claims Consultancy Member Benefits**

- Access to Disaster Management Planning.
- Access to Building and Business interruption valuation services.
- General risk management advice on any business situation from which a potential claim may arise.
- Access to contractors 24/7 for emergency assistance and reinstatement estimates.
- Access to Forensic accountants.
- Access to flight delay recovery, for flights delayed more than 3 hours.
- Telephone assistance immediately on any incident that could give rise to a property or liability claim.
- Immediate advice on evidence gathering to defend liability claims against you successfully – including those within the policy excess.
- Practical help in compiling and presenting all claims.
- For property and business interruption claims over £5,000 in value a professionally qualified chartered loss adjuster (limited 20 Hours) will be personally assigned to prepare your claim and negotiate on your behalf to achieve the best possible settlement.
- Your loss adjuster will give you advice relating to measures necessary or advisable to secure and make premises safe, to mitigate the loss, to salvage partially or undamaged goods and to minimise the disruption to you and your business.
- Your loss adjuster will prepare and present your evidence that verifies the loss. He will also liaise with your accountants to prepare and quantify the business interruption claim.
- Access to a legal telephone 'hotline' for free advice on insurance claims, employment and general litigation matters. Solicitors are available, if the need arises, to give this specialist advice.

Hallsdale Claims Consultancy Service ensures you receive the best possible advice at all times, and provides you with access to professionally qualified specialists 24 hours per day 365 days a year.
