Dear Andrew,

P Varley Limited Pension Scheme ("the Scheme")

This letter outlines the features of the Scheme as they would apply to you and invites you to become a member.

CONSTITUTION

The Scheme is to be a registered pension scheme within the meaning of Part 4 of the Finance Act 2004, governed by rules adopted by a deed dated 29th August 2013 ("the Rules") and administered by the trustees for the time being ("the Trustees"). The Rules will over-ride this letter in the event of any conflict between them. References to specific Rules are given for convenience in some of the headings below.

ADMISSION TO MEMBERSHIP (Rule 16)

Admission to the Scheme is at the discretion of the Company

CONTRIBUTIONS (Rule 17)

The Rules allow members, their employers and you to make contributions to the Scheme. The Rules do not make contributions by any person compulsory.

INDIVIDUAL FUNDS

Each Member of the Scheme has an "Individual Fund", built up through (i) contributions by/in respect of the Member and (ii) any transfer payments in respect of the Member from other schemes, adjusted to take account of the investment experience of the Scheme.

All benefits paid to or in respect of a Member are paid out of (and therefore their amount is limited by) his Individual Fund.

The Individual Fund will be further limited by the lifetime allowance, which at the date of this letter is £1.5 million.

BENEFITS FOR MEMBER (Rule 19)

The latest age at which benefits may be drawn is 77 and the earliest age is usually 55 but you may be able to draw benefits earlier if you suffer from incapacity or serious ill-health, or if you had an unusually low normal retirement age under the previous tax regime.

The Rules allow you to take benefits at any age consistent with this new tax regime. "Retirement" in this letter means simply drawing benefits during your lifetime.

On retirement, your Individual Fund will be applied by the Trustees to provide - at your request - a lump sum, which is payable free of income tax under current law. The maximum lump sum is usually 25% of the Individual Fund, but may be more or less in some cases, particularly for members with "transitional protection" of rights built up before A-day.

The remainder of your Individual Fund will then be designated to provide pension in the form of income withdrawal. This is essentially a pension drawn from the Individual Fund, the amount of which can be varied between:

- a minimum of nil and
- a maximum set every 3 years based on 100% of the single life annuity which could be bought with the Individual Fund.

When you reach age 77 the ability to draw an initial lump sum is lost.

BENEFITS ON DEATH (Rule 20)

On your death, the Trustees will use your Individual Fund to provide lump sum benefits and/or pensions for your dependants and other beneficiaries in accordance with the Rules.

The Rules give the Trustees wide discretion as to both the form of benefits and the recipients:

- pensions can be provided for dependants (which includes spouses and civil partners, children up to age 23 and others actually dependent on you);
- lump sums can be paid to any person.
- Some or all of your fund can be paid to a registered charity.

STATE PENSION ARRANGEMENTS

The Scheme is not contracted out of the State Second Pension Scheme.

TERMINATION (Rule 14)

The Scheme may be terminated in accordance with the Rules. In the event of its termination the assets of the Scheme will be applied for the benefit of Members having regard to their respective Individual Funds.

AMENDMENT (Rule 3)

The power to amend the Scheme may be exercised by the Principal Employer
