Planned Overdraft limit £650

Fees Explained

We'll pay you a £5.00 reward each month you use the account as your main bank account and remain in credit throughout the calendar month. By main bank account we mean an account you pay in your salary or other credits (min £750.00) and pay out at least two different direct debits.

Unplanned Overdraft daily fee - We'll charge you £5.00 if, at the end of any day, your account remains over your planned Overdraft limit. You'll stop incurring the daily fee as soon as any money you have paid into your account clears and this brings your account back into your planned Overdraft limit (or back into credit if you haven't got a planned Overdraft facility).

Planned Overdraft daily fee - We'll charge you £1.00 if, at the end of any day, your account is overdrawn up to and including £1,999.99. We'll charge you £2.00 if, at the end of any day, your account is overdrawn by £2,000.00 up to £2,999.99. We'll charge you £3.00 if, at the end of any day, your account is overdrawn by £3,000.00 and above. You'll stop incurring the daily fee as soon as your account is back in credit.

Other fees for special services are detailed in the Reward Payments and Account Fees leaflet, previously provided.
