Dear Mark,
Re: Peter Pickering Pension Scheme – Mark Whetton, Member Trustee

We have submitted the annual pension scheme return to HMRC for your scheme and whilst doing so have carried out a review. Our administration fees are no longer being paid and we therefore require you to make a decision on your scheme going forward.

Your investment of £150,000 on 07th August 2015 was paid to Powerscourt Services Client Account. We do not have any further details of this investment. You need to contact the adviser who set up this investment for you if you have no information on the investment.

Please select an option below and return this letter in the enclosed pre-paid envelope.

- ☐ I wish to continue my pension scheme and enclose a signed direct debit mandate for the annual administration fees of £500 to be debited quarterly from my bank account
- ☐ I wish to continue my pension scheme and enclose a cheque for the annual administration fees of £500 payable annually in advance
- ☐ I wish to wind up my pension scheme. I understand that the investment will be my personal responsibility and is still treated as a pension asset. When the investment is concluded, the funds will need to be paid into a UK recognised pension scheme

We look forward to hearing from you.

Yours sincerely,

Stacy Lunnnon
