STATEMENT OF TRUSTEES' RESPONSIBILITIES
YEAR ENDED 30 SEPTEMBER 2014

TRUSTEES' RESPONSIBILITIES

The Trustees are satisfied that the Trust is entitled to exemption from the provisions of the Occupational Pension Schemes (Requirement to obtain Audited Accounts and a Statement from the Auditor) Regulations 1996 relating to the audit of the financial statements. They are, however, required to obtain accounts that have been prepared in accordance with the Statement of Recommended Practice, 'Financial Reports of Pension Schemes'.

The Trustees are responsible under pensions legislation for ensuring that there is prepared, maintained and from time to time revised a Payment Schedule showing the rates of contributions payable towards the Scheme by or on behalf of the employer and the active members of the Scheme and the dates on or before which such contributions are to be paid. The Trustees are also responsible for keeping records in respect of contributions received in respect of any active member of the Scheme and for monitoring whether contributions are made to the Scheme by the employer in accordance with the Payment Schedule. Where breaches of the Schedule occur, the Trustees are required by the Pensions Act 1995 to consider making reports to The Pensions Regulator and the members.

The Trustees also have a general responsibility for ensuring that adequate accounting records are kept and for taking such steps as are reasonably open to them to safeguard the assets of the Scheme and to prevent and detect fraud and other irregularities, including the maintenance of an appropriate system of internal control. The trustees also have responsibility to prepare annual financial statements. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis.
