Changes to telephone numbers

We want to remind you that we're changing some of our telephone numbers from freephone to basic rate numbers (where local charges will apply) from 30 June 2022.

For some key services, we're keeping freephone numbers. This includes numbers to report fraud, lost or stolen cards, financial support as well as sign to video.

Keeping your money safe

Make sure we always have the right telephone number so we can help protect you. If you use your card online you will notice more frequent verification checks, so you'll need to make sure your mobile number is up to date.
