Dear Sir/Madam

Here is your Transact Password

Please find below your Transact Password. In combination with your Transact Number, which you have received separately, your Password enables you to log in to your Transact account at www.transact-online.co.uk. Note that the Password is case-sensitive.

Having signed in to your portfolio for the first time we strongly recommend you change your password.

Keep your Password Secure

You can change your Password online (under Account Settings, in the top right corner of the website).

You must not disclose your Password to anyone. If you lose your Password or believe someone else may have become aware of it, you should immediately change it online or ask us to generate a new one. We will not accept liability for unauthorised online instructions or any loss you may suffer as a result of unauthorised online instructions.

If you have any questions regarding your Password, please contact me at the address below, email security@transact-online.co.uk, or call (020) 7608 5350.

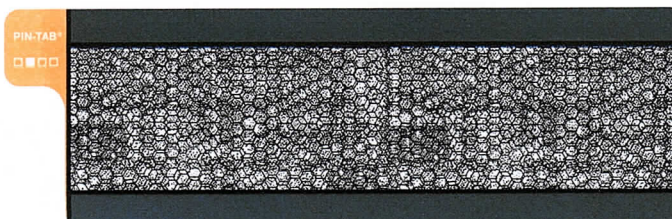

Yours sincerely

Vela Levy
Security Officer

TO REVEAL YOUR NUMBER

Carefully peel back the plastic tab and your number will be on the tab you have retained.

If before removing your tab it appears as images 2 or 3, contact us immediately.
