Good Afternoon,

The password to open the attachment is your National Insurance number. It is case sensitive, all Uppercase with no spaces, for example (AB123456C)

I refer to your request to transfer your Aegon pension to Tirreme Pensions.

Aegon treats its obligation to carry out appropriate due diligence on transfers seriously in order to protect the interests of our customers and ensure the integrity of the transfer. As part of our process we have sent you information by email about pension scams with links to The Pensions Regulator and Financial Conduct Authority.

I note that you still wish to proceed with the transfer and therefore I would ask that you complete and return the attached Declaration, Indemnity and Discharge form via post. The form should be signed by you and a witness. The witness should not be a person who is related to the policyholder.

Please note, we cannot accept the completed form via email as we require sight of a wet signature.

Documents can be posted to Aegon Platform Client Services, SUNDERLAND, SR43 4DL.

Please do not hesitate to contact us if you have any questions in relation to this.

In the next couple of days you may receive an email asking you a few simple questions to rate how well we've done today, and we'd appreciate if you could complete this for us.

Kind regards,

Harris Watson
