Good Afternoon,

Thank you for contacting us.

I can confirm that your name has been successfully updated and confirmation letter has been sent for your reference.

We have run an Experian check to verify your identity and it has passed, we do not require any further information from you regarding this change. Please see the below information regarding the Experian check:

This is to comply with anti-money laundering regulations, we use Experian to verify your identity (or the identity of other interested parties) by carrying out a database search with a commercial agency. The search is carried out against public and other types of records. It will also check whether you have bank or credit facilities for identity verification purposes only. It won't disclose any information about your financial status in relation to these accounts. A record of the search will be retained but it won't affect your credit rating.

If you have any further queries, please do not hesitate to contact us.

Kind regards

Anisah Bashir
