- 1.1.5 indices and headings are included for convenience only and shall not affect the interpretation of the Rules; and
- 1.1.6 (unless the context requires otherwise) references to the singular shall include the plural and vice versa and references to any gender shall include any other gender.

1.2 In these rules and unless the context requires otherwise:

"Adopting Deed" means the deed by which these Rules are adopted.

"Beneficiary" means a Member or any person having a Benefit.

"Benefit" means an actual or prospective entitlement to any benefit under the Scheme (including any part of a **pension** and any payment by way of **pension**).

"Dependant" in relation to a Member has the meaning it has in the Act and includes a person who was married to the Member when the Member first became entitled to a **pension** under the Scheme but excludes any person of whose existence the Trustees are unaware having made reasonable enquiries.

"Drawdown" means:

- (i) in the case of a Member, **drawdown pension**; and
- (ii) in the case of a Dependant, **dependants' drawdown pension**.

"Drawdown Fund" means any part of an Individual Fund which is designated as available for the payment of Drawdown in accordance with Rule 21 or which in the opinion of the Trustees should be so designated to reflect:

- (i) any regulations made under section 283(2), or any treatment as so designated under paragraph 8(2) of Schedule 28 or any other provision of the Act; or
- (ii) any designation existing immediately before the Rules took effect

and which in any case has not subsequently been applied towards the provision of any other benefit in accordance with the Rules.

"Employee" means an individual who is in receipt of earnings in Employment from a participating employer; earnings shall be defined by Social Security Contributions and Benefits Act 1992 to include any remuneration or profit derived from an employment relating to that employer.

- 8.2 Subject to Rule 8.3, all decisions which fall to be made by the Trustees shall be made:
 - 8.2.1 (if the Trustees include all the Scheme's members (within the meaning of Part 1 of the Pensions Act 1995) but not a trustee who is registered in the register maintained by the Regulator in accordance with regulations made under section 23(4) of the Pensions Act 1995) by unanimous agreement by the General Trustees;

If the Rules took effect on the establishment of the Scheme, the Scheme Administrator shall be such of the Trustees as meet the criteria in section 270(2).
- 9.2 The Trustees may at any time appoint as Scheme Administrator any person meeting the criteria in section 270(2) in place of or in addition to any other person, and may vary or revoke any such appointment.
- 9.3 Unless there would then be no Scheme Administrator, the appointment of a person as Scheme Administrator shall cease if:
- 9.3.1 he gives the Trustees notice in writing to that effect; or
 - 9.3.2 having been a Trustee when appointed as Scheme Administrator, he then ceases to be a Trustee.
- 9.4 The Trustees shall provide, and shall exercise their powers under the Rules to procure, such documents, records and other information and assistance as the Scheme Administrator may reasonably request in connection with the functions conferred or imposed on it by and under the Act.

- 11.2 The Trustees may at any time by deed and with the consent of the existing Principal Employer substitute any other **employer** as Principal Employer, provided that **employer** covenants to duly perform and observe each and every provision of the Scheme which ought to be performed and observed by it as Principal Employer.

then all its powers and discretions under the Rules and any other provision governing the Scheme, whether fiduciary or not, shall vest in and be exercisable by the Trustees alone and any requirement for its consent or approval or similar shall not apply unless the Trustees determine otherwise.

- 11.4 Where the Trustees are satisfied that a Participating Employer falls within the meaning of a dormant company as defined by Companies Act 2006 Pt 46 S1169 the Trustees may

11.4.1 in the specific case of the Principal Employer, remove by resolution the Principal Employer from the Scheme with effect from the latter of the date the status took effect or the date of the establishment of the Scheme and close the Scheme to new Members until such time that a replacement Principal Employer is appointed or a decision is made to wind up the Scheme; or

12.2.3 where required by law.

12.5 A transfer made from the Scheme under Rule 12.1 shall (subject to any special terms or conditions imposed by the Trustees) extinguish the Individual Fund concerned and release the Trustees from any liability in respect of any corresponding Benefits.

in either case on such terms as the Trustees in their absolute discretion think fit.

13.2 Following such application, the Trustees shall be discharged from all claims in respect of such Benefits.

14.1 The remaining provisions of this Rule 14 shall apply upon:-

- 14.1.1 the Trustees so resolving; or
- 14.1.2 the eightieth anniversary of the date of establishment of the Scheme, unless the Scheme can then lawfully be continued.
- 14.2 The Scheme shall be determined and the Fund shall be wound up provided that the trusts of the Scheme shall remain in force and all powers under the Rules shall remain exercisable until the Fund has been completely wound up.
- 14.3 The Trustees shall apply any General Fund in accordance with Rule 25.4.
- 14.4 The Trustees shall apply each Individual Fund in the following order:
 - 14.4.1 in discharging so much of the actual or anticipated costs, charges and expenses of and incidental to the application of the Fund (including the remuneration of professional advisers) as the Trustees in their absolute discretion may determine;
 - 14.4.2 in payment of any ***lump sum death benefit*** in respect of a death occurring before the application of this Rule 14;
 - 14.4.3 in securing Benefits in respect of the relevant Member or Dependant in such one or more of the ways described in Rule 14.5 as the Trustees in their absolute discretion may determine having regard to the Benefits that would otherwise have been payable from the Scheme.
- 14.5 The ways described in this Rule are:
 - 14.5.1 purchase of an immediate or deferred annuity from an ***insurance company*** on any terms;
 - 14.5.2 payment of a lump sum permitted by the ***lump sum rule***;
 - 14.5.3 payment of a transfer in accordance with Rule 12.1.2.
- 14.6 If the assets of the Fund include annuity contracts or annuity policies effected in the names of any of the Trustees or their nominees with any ***insurance company***, they shall either:
 - 14.6.1 enter into an arrangement with the ***insurance company*** to assign them to, or transfer or secure them in trust for, the person or persons entitled to benefit under them, or
 - 14.6.2 assign them to another ***pension scheme***
 as appropriate.

Part 2 – Membership and Benefits

15 Medical evidence and other relevant information

- 15.1 The Trustees may at any time request any Beneficiary to supply such evidence of age, good health, marital status, rights and entitlements under other ***pension schemes*** and other evidence and information as they may reasonably require, and may withhold payment of all or part of any Benefits until the evidence or information is received and accepted by the Trustees as correct and sufficient.
- 15.2 Any Beneficiary shall without delay notify the Trustees of any event or fact which may affect his entitlement or prospective entitlement under the Scheme.

16 Admission to Membership

- 16.1 The Trustees may in their absolute discretion admit as a Member:
- 16.1.1 any **employee or director** of a Participating Employer;
 - 16.1.2 any spouse and or dependant(s) connected with that **employee or director**; and
 - 16.1.3 any other person whose admission is consistent with the SSAS's status as an **occupational pension scheme** and a **registered pension scheme**.
- 16.2 Admission to Membership shall be subject to such requirements and on such terms, whether generally or in any particular case, as the Trustees may in their absolute discretion determine.
- 16.3 A Member who, by virtue of Rule 12 (Transfers between Schemes) or Rule 13 (Buying Out Benefits) or otherwise, ceases to have any Individual Funds within the Scheme, shall cease to be a Member.

17 Contributions

- 17.1 Subject to Rule 17.3, any person may with the consent of the Trustees make contributions to the Fund in such form (whether money or any other contribution of money's worth) of such amounts and at such times as the Trustees may in each case agree.
- 17.2 Any contribution shall be allocated:
- 17.2.1 to such one or more new or existing Individual Funds in respect of such one or more Members as the contributor may direct at or before the time when it is made; or
 - 17.2.2 in the absence of any such direction, to the General Fund.
- 17.3 Any contribution by or in respect of a Member which would cause:
- 17.3.1 loss of Enhanced Protection or Fixed Protection for that Member; or
 - 17.3.2 any payment of Drawdown to that Member to be (or be treated as) an **unauthorised payment** by virtue of the Member ceasing to qualify for Flexible Drawdown
- shall not form part of the Fund or in any other way become held for the purposes of the Scheme but shall instead be held by the Trustees on trust for the relevant contributor absolutely, unless before the making of that contribution the Trustees and the Member have agreed explicitly in writing that this Rule 17.3 shall not apply.

18 Multiple Individual Funds

- 18.1 The Trustees may at any time treat any existing part of a Member's Individual Fund or any new contribution in respect of a Member as a separate Individual Fund, in which case it:
- 18.1.1 shall constitute a separate Individual Fund for the purposes of the Rules (including without limitation this Rule 18.1) and the Rules shall be applied to each Individual Fund separately; but
 - 18.1.2 shall not constitute a separate **arrangement** for the purposes of the Act unless the Member and Trustees expressly agree.

19 Benefits for Member

19.1 Any Uncrystallised Fund of a Member may be:

19.1.1 applied to pay a **pension commencement lump sum** of such amount (consistent with the Act) as the Member may request; and

19.1.2 (as to any remainder) designated as available for the payment of Drawdown in accordance with Rule 21

on such date as the Member may select, being not earlier than the earliest date on which:

19.1.3 the Member reaches his **normal minimum pension age** (or any **protected pension age**); or

19.1.4 the **ill-health condition** is met.

20 Benefits following death of Member

20.1 On the death of a Member the Trustees shall apply his Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:

20.1.1 designation as available for the payment of Drawdown for one or more surviving Dependants in accordance with Rule 21;

20.1.2 payment of one or more **lump sum death benefits** in accordance with Rule 22;

20.1.3 reallocation in accordance with Rule 23;

20.1.4 to the extent it cannot be applied in accordance with the preceding provisions of this Rule 20.1, allocation to the General Fund.

20.2 On the death of a Dependant for whom Drawdown was being provided in accordance with Rule 21 following the death of a Member, the Trustees shall apply the Dependant's Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:

20.2.1 designation as available for the payment of Drawdown for one or more other Dependants of the Member in accordance with Rule 21;

20.2.2 payment of one or more **lump sum death benefits** in accordance with Rule 22;

20.2.3 reallocation in accordance with Rule 23;

20.2.4 to the extent it cannot be applied in accordance with the preceding provisions of this Rule 20.2, allocation to the General Fund.

20.3 If a Dependant, for whom Drawdown was being provided in accordance with Rule 21 following the death of a Member, ceases to be a Dependant, the Trustees shall apply the Dependant's Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:

20.3.1 designation as available for the payment of Drawdown for one or more other Dependants of the Member in accordance with Rule 21;

20.3.2 reallocation in accordance with Rule 23;

20.3.3 to the extent it cannot be applied in accordance with the preceding provisions of this Rule 20.3, allocation to the General Fund.

21 Drawdown

- 21.1 The Trustees shall pay out of an individual's Drawdown Fund to the individual such amounts and at such times as the individual may specify, provided that:
- 21.1.1 no payment shall be made if it would not qualify as Drawdown; and
 - 21.1.2 the Trustees may impose such restrictions as to timing and minimum and maximum amounts of payments as they reasonably consider appropriate.
- 21.2 For the avoidance of doubt and without limiting their powers under this Rule 21 or more generally, the Trustees shall not be obliged to make any payment of Flexible Drawdown unless:
- 21.2.1 the individual has made such declarations, and has provided such relevant documents or other evidence or information, as the Trustees or Scheme Administrator may in their absolute discretion require; and
 - 21.2.2 in the opinion of the Trustees, sufficient provision has been made for any appropriate deductions under Rule 6.3 or Rule 25.4 or otherwise.
- 21.3 Any declaration made to the Trustees in connection with Flexible Drawdown shall be treated as made to the Scheme Administrator for the purposes of the Act.

22 Lump Sum Death Benefits

- 22.1 On the death of an individual, any part of his Individual Fund to be applied in accordance with this Rule shall, subject to Rule 22.2, be paid to such one or more of the following and in such proportions as the Trustees in their absolute discretion may determine:
- 22.1.1 the individual's Relatives;
 - 22.1.2 any person for whom Drawdown may be provided on that death (whether actually provided or not);
 - 22.1.3 (on the death of a Member) any person nominated for this purpose by the Member;
 - 22.1.4 (on the death of a Dependant) any person nominated for this purpose by the relevant Member (or if the Member made no nomination, the Dependant);
 - 22.1.5 any person entitled under the individual's will to any interest in the individual's estate;
 - 22.1.6 the individual's **personal representatives** (but not if the payment would then pass as bona vacantia).
- 22.2 Any amount to be paid to a person under Rule 22.1 may instead at the absolute discretion of the Trustees be paid in any other way for the benefit of that person, including without limitation payment to the trustees of any trust (including any other **pension scheme** or any discretionary trust) for the benefit of persons including that person.
- 22.3 The Trustees shall have the power to declare or otherwise establish any trusts for the purposes of Rule 22.2, on such terms as the Trustees in their absolute discretion consider appropriate. For the avoidance of doubt Rule 10 shall apply to any costs, charges or expenses incurred in doing so.

23 Reallocation to Unconnected Members

- 23.1 Any part of an Individual Fund to be applied in accordance with this Rule 23 shall be reallocated to any new or existing Individual Funds of such one or more unconnected Members and in such proportions as the Trustees in their absolute discretion may determine.
- 23.2 The Trustees may, for the purposes of a reallocation within Rule 23.1 and after the death of the relevant individual, admit as a Member any unconnected person to whom a payment could be made on that death under Rules 22.1.1 to 22.1.5.
- 23.3 For the purposes of this Rule 23, a Member or prospective Member is unconnected if, immediately before any death of an individual to which the reallocation is attributable, he was not connected with that individual for the purposes of section 172B.

24 Alternative Application of Individual Fund

- 24.1 The Trustees may at any time at the request of a Member or Dependant (or, where the Member or Dependant is deceased, his **personal representatives**) apply all or any part of his Individual Fund:
- 24.1.1 to provide any one or more of the benefits permitted by the **pension rules, lump sum rule, pension death benefit rules or lump sum death benefit rule** and not otherwise permitted by the Rules;
- 24.1.2 to make any other payment authorised by the Act;
- 24.1.3 to provide benefits of any kind other than a **payment**; or
- 24.1.4 provided that the trustees do not make any payment (or do any thing which is treated as making) any kind **of unauthorised payment**.
- in each case to or for the benefit of the Member or Dependant or any other person, and in place of any Benefit that was, or would have been, otherwise payable from such part of such Individual Fund.

25 Payment of Benefits, Deduction of Tax

- 25.1 Any Benefit shall be paid by bank transfer or otherwise in monetary form, but with the consent of the relevant Beneficiary may instead be paid by way of transfer of all or any part of any asset of the Fund or of any interest in such asset or any other transfer of money's worth.
- 25.2 If the Trustees have taken out an insurance policy with an **insurance company** to meet any obligations to pay Benefits then those Benefits shall be payable only if and to the extent that the Trustees are able to recover payment under the terms of the insurance policy.
- 25.3 If and for so long as a person entitled to a Benefit is a minor, or in the opinion of the Trustees unable to act by reason of mental disorder or otherwise, the Trustees may pay or direct the payment of the Benefit to any one or more of his parents, guardians, spouse or other person legally appointed or authorised to receive it on his behalf to be applied for his benefit. Any such payment shall operate as a complete discharge to the Trustees in respect of that Benefit and they shall not be under any liability to enquire into its application.

25.4 Without prejudice to Rule 6.3 or any other provision of the Rules, the Trustees shall be entitled to deduct from:

25.4.1 any payment made to any person or body (including any allocation or reallocation within the Scheme of any amount for the benefit of any person or any other act which may be deemed to be a payment for any purpose of the Act); or

25.4.2 any part of the Fund to which the payment relates

a sum equal to any charge to tax to which the Trustees or Scheme Administrator are, or may become, liable as a result of the payment (whether by virtue of the payment being a **scheme chargeable payment** or otherwise). Where the Trustees are uncertain of the extent of any tax liability, they may at their absolute discretion either deduct such amount as they may determine or postpone the payment.

26 Application of the General Fund

26.1 The Trustees may at any time apply all or any part of the General Fund to:

26.1.1 meet any amounts described in Rule 10 (Costs of the Scheme) not already met in accordance with that Rule;

26.1.2 create or augment any Individual Fund or otherwise provide new or increased Benefits, either immediate or prospective, for any person;

26.1.3 (subject to any restrictions imposed by the Act or by section 37 or 76 of the Pensions Act 1995), make payments to one or more Participating Employers

or in any other way which in the opinion of the Trustees is consistent with the status of the Scheme as a **registered pension scheme**.

27 Preservation Requirements

27.1 Any preservation requirements (within the meaning of section 132 Pension Schemes Act 1993) which apply to the Scheme shall be deemed to form part of the Rules and shall override any other provision of the Rules with which they conflict.

28 Notices

28.1 Notices to the Trustees or Scheme Administrator shall be given in writing and shall not be effective until actually received. Any Trustee or Scheme Administrator may waive all or part of these requirements in relation to any notice to be given to him.

29 Recovery, Forfeiture, Assignment, Surrender etc

29.1 The Trustees shall not be obliged to seek to recover any overpayment of Benefits but may do so at their absolute discretion, whether directly or by set-off or otherwise, but subject in each case to the remainder of this Rule 29.

29.2 Any Benefit may be forfeited, reduced, assigned, commuted, surrendered or charged and a lien or set-off may be exercised in respect of it only:

29.2.1 as permitted by this Rule 29; or

29.2.2 in any other circumstances either permitted or not prohibited under section 91 or section 92 of the Pensions Act 1995.

29.3 The Trustees may in their absolute discretion determine that all or any part of any Benefit

shall, even if it would otherwise belong absolutely to the relevant Beneficiary, be:

- 29.3.1 reduced (subject to the conditions in Rule 29.4) for the purpose of discharging some monetary obligation due to the Scheme or to a Participating Employer from the Beneficiary and arising out of a criminal, negligent or fraudulent act or omission by him, or
 - 29.3.2 reduced (subject to the conditions in Rule 29.4) for the purpose of discharging some monetary obligation due from the Beneficiary to the Scheme and arising out of a payment made in error in respect of the Benefit, or (if he is a Trustee) arising out of a breach of trust by him;
 - 29.3.3 forfeited if the Beneficiary fails to claim it within six years of the date on which it becomes due;
 - 29.3.4 forfeited if the Beneficiary attempts to assign, charge or alienate it or it otherwise becomes the subject of a transaction or purported transaction which under section 91 of the Pensions Act 1995 is of no effect; or
 - 29.3.5 forfeited if the Beneficiary has been convicted of one or more offences, which are committed before the Benefit becomes payable, and are offences under the Official Secrets Acts 1911 to 1989 for which the person has been sentenced on the same occasion to a term of imprisonment of (or to two or more consecutive terms amounting in the aggregate to) at least 10 years, or offences of treason, or other offences prescribed for this purpose.
- 29.4 The conditions in this Rule 29.4 are that:
- 29.4.1 the amount of any reduction must not exceed the amount of the monetary obligation in question;
 - 29.4.2 the Beneficiary must be given a certificate showing the amount of the reduction and its effect on his Benefits;
 - 29.4.3 where there is a dispute as to its amount, the reduction must not be applied unless the obligation in question has become enforceable under an order of a competent court or in consequence of an award of an arbitrator or, in Scotland, an arbiter to be appointed (failing agreement between the parties) by the sheriff; and
 - 29.4.4 no reduction in respect of a monetary obligation due to a Participating Employer shall be applied to any transfer credits other than prescribed transfer credits.
- 29.5 Any part of an Individual Fund representing an amount forfeited or reduced or surrendered in accordance with this Rule 29 shall become part of the General Fund except that, in the case of a monetary obligation due to a Participating Employer, an amount not exceeding the amount forfeited may, if the Trustees so determine, be paid to the Participating Employer.
- 29.6 Terms given a specific meaning for the purposes of sections 91 to 95 of the Pensions Act 1995 shall have the same meaning where they are used in this Rule 29.

30 Pension Sharing

- 30.1 The Trustees shall discharge any liability in respect of a person acquiring a ***pension credit*** in such one or more of the following ways as they in their absolute discretion shall think fit:
 - 30.1.1 admitting that person as a Member in accordance with Rule 16.1 and determining for that person an Individual Fund equal in value to an amount representing that credit;

- 30.1.2 making a transfer payment in respect of that person in accordance with Rule 12.1.2 (as if the reference to Beneficiary included that person and as if the reference to Individual Fund were to an amount representing that credit);
 - 30.1.3 applying an amount representing that credit towards the purchase of an appropriate policy from, or entry into an appropriate contract with, an **insurance company** in respect of that person.
- 30.2 The Trustees may at their absolute discretion reduce either or both of:
- 30.2.1 the amount representing the credit; and
 - 30.2.2 the Individual Fund subject to the corresponding **pension debit**
- by an amount or amounts representing in aggregate all or any part of the costs, charges or expenses incurred in connection with the credit (whether in the provision of any relevant information, the implementation of any relevant order or otherwise).

31 CONFORMITY WITH LEGISLATION

- 31.1 The Principal Employer, the Trustee and the Administrator, in making any decision or in giving or withholding their agreement or consent or in exercising or not exercising any power in relation to the Scheme, shall:
- 31.1.1 act consistently with the requirements to maintain the Scheme as a Registered Scheme; and
 - 31.1.2 act in accordance with any other applicable overriding legislation affecting the Scheme.
- 31.2 The Principal Employer, the Trustee, Independent Trustee and the Administrator shall exercise their powers in a manner which they are satisfied will not give rise to an Unauthorised Payment, or to any Unauthorised Payment being treated as having been made.
- 31.3 It is intended that the Scheme's provisions shall be such as to fall within the exemptions available to small schemes under:
- 31.3.1 regulation 12(1) of the Occupational Pension Schemes (Investment) Regulations 2005;
 - 31.3.2 regulations 2(a) or 2(d) of the Occupational Pension Schemes (Member-nominated Trustees and Directors) Regulations 2006;
 - 31.3.3 regulation 3(1)(f) or 3(1)(h) of the Occupational Pension Schemes (Scheme Administration) Regulations 1996;
 - 31.3.4 regulation 2(2)(a) of the Occupational Pension Schemes (Disclosure) Regulations 1996; and
 - 31.3.5 regulation 2(1)(d) of the Occupational Pension Schemes (Pension Compensation Provisions) Regulations 1997
- and any analogous statutory exemption for small schemes. If any provision of the Trust Deed and Rules would but for this Clause cause the Scheme to fall outside of the scope of the relevant exemption then it shall be restricted but only so far as is necessary to ensure that the Scheme benefits from the relevant exemption.
