Dear Sir

**Tax Return for Trustees of approved self-administered Pension Schemes
for the year ended 5 April 2009**

Singleton Engineering Pension Scheme

Thank you for sending me the Pension Scheme Tax Return. I enclose my calculation of your tax liability for 2008-09 based on the entries on the Tax Return which I have been able to process without the need for revision. This is not necessarily the amount you will be asked to pay and is not a demand for payment.

For the tax year 2008-09 you have overpaid by £31.00. This does not reflect any tax debts for other tax years, which you may have.

I also calculate that you do not need to make any payments on account towards next year's tax bill.
