Your attention is drawn to the following sections of this document:

- Guide to the transfer process
- 'Pensions scams' information provided by The Pensions Regulator.

**You should read these sections carefully before signing this declaration. If you do not understand anything in this document please contact us for further information.**

I request and consent to the transfer set out in this application form.

I confirm and agree that:

- to the best of my knowledge and belief, the particulars given on this form are correct and complete.
- if appropriate, James Hay Partnership has my authority to check with HM Revenue & Customs the details of any certificate which I supply which enhances my lifetime allowance.
- by signing this declaration, I authorise James Hay Partnership to release in respect of those rights details about the transfer from this pension scheme and the subsequent application of benefits to the receiving scheme.
- after my SIPP is closed, any accumulation units, further money received from an investment or investment manager, dividends paid as shares or corporate events leading to a new asset holding, will be encashed and transferred to the receiving scheme, subject to the charge for standard payments received after SIPP closure.
- the payment I have requested discharges James Hay Partnership's liability in respect of the transferred funds.
- any entitlement to benefits under this SIPP will cease in respect of any transferred rights and James Hay Partnership will be discharged from any obligation to provide benefits.
- this declaration shall not operate so as to prohibit me from bringing any claim for any act or omission.
- at all times I will be bound by, and comply with, the 'Guide to the transfer process' section.
- it is an offence to make false statements and that the penalties are severe and could lead to prosecution.

**IMPORTANT:** There are companies that claim they can help you "cash in" your pension early. If you agree to this, you could face a tax bill of more than half your pension savings.

Please be wary of any unsolicited approach offering upfront cash incentives or loans from your pension. Cold-calling is illegal, and is likely to be part of a scam.

It is not possible to access pension funds before the age of 55 (except in rare circumstances). To do so is likely to result in serious tax consequences.

Never be rushed into agreeing to a pension transfer. If you are in any doubt, take advice from a financial adviser who is authorised by the Financial Conduct Authority.

Do not sign this Transfer Discharge Form unless you are certain that you fully understand the consequences of making the transfer.
