A circular geometric pattern, likely a rug or tapestry, featuring a central star-like motif surrounded by concentric bands of triangles and diamonds. The design is symmetrical and intricate, with a central point from which eight points radiate outwards, each ending in a small diamond. These are surrounded by a ring of larger diamonds, followed by a ring of triangles, and an outermost ring of small squares or diamonds. The colors are muted, with shades of brown, tan, and grey on a light background.

A black and white portrait of a man with a beard and mustache, wearing a dark jacket. The image is grainy and appears to be a photocopy or a scan of a photograph.
