

Taipan

Emily, the only transaction in that year was the loan to playa blanca plots SL which I have supplied to you but do so again below.

The last received Artemis valuation I have copied to you also but do so again below.

I also copy the 2 pension plans outside the SSAS for file.

I confirm that I have received discharge forms from Standard Life and will have a pop at filling these out before sending to you for comment.

Thanks and regards

Tony
