Annual statement from 04 Oct 2013 to 05 Oct 2014

Your Annual Statement Explained

You do not need to take any action. This statement has been sent for your information only.

Detailed below is a summary of all activity on your credit card during the stated period. The summary is split into:

- 1) Total activity: outlines the total spend on your card (after any refunds), total interest, fees/charges incurred and the total amount you have repaid.
- 2) A breakdown by type of transaction.
- 3) A breakdown of other fees and charges incurred.

The information is provided for you to review your previous 12 months of activity.
